Pioneer Residents of Polk County Are Honored on Anniversary

MONMOUTH — Mr. and Mrs. A. B. Lacey of Parker, who were married October 10, 1888 in Polk county, and have lived in this county practically all of their married life, Sunday observed their golden wedding anniversary.

Arthur B. Lacey was born in Knoxville, Iowa. He came to Oregon in 1873. His wife, Frances O. Parker, was born in Ray county, Mo., and came to Oregon by ox train in 1865. Her father, David Parker, was captain of the train, which was three times attacked by Indians. He took a donation land claim in the community which now bears his name. The Lacey farm is part of that donation land claim.

## Incendiarism Now Suspected

Three Store Buildings Are Destroyed in Early Morning Blaze

SILVERTON — A suspicion that Thursday night's fire here and other recent fires were set developed into a general rumor Friday as word spread about that certain homes, unnamed, were ransacked during the night when a \$60,000 fire was burning on Main street.

Officers refuse to make any statement but do not deny the possibility being suggested by the citizens. It is recalled that two weeks ago when the McMillan house caught fire from unknown origin, houses were robbed; and a week ago Thursday night, when fire hit Ralph's restaurant, the Arbutle garage was robbed.

SILVERTON—A \$60,000 fire swept half a block at Silvertown early Friday morning. The fire broke out in a back room near Toney's restaurant shortly before 2 o'clock. Toney's restaurant, Ralph's grocery and the shops of the Anderson Motor company were completely destroyed with the cash register at Toney's the only thing that was saved.

The buildings housing Toney's and Anderson's were owned by Al Coolidge & Company while the building housing Ralph's grocery was owned by Clay Porter. Toney's had just recently completed a new paint job and added new equipment. A new shipment of groceries had been placed on the shelves of Ralph's store Thursday afternoon. The buildings were covered by insurance and the equipment was partially covered.

Fourth Store Damaged  
Some damage was done to the Handy Variety store adjoining Ralph's grocery. Two automobiles were burned in the Anderson Motor company place but the office and display room, housing two new cars were not injured.

Firemen worked until noon Friday to get the Main street fire under complete control. They reported that it was one of the most stubborn fires ever experienced during their time as firemen.

**M M Club Notes**  
Yes, sir, boys and girls today is the big day at Mickey Mouse, not only in the way of entertainment, but also the new breath-taking serial "Red" Barry, the detective, will be shown today for the first time.

Burriss Ireland and Dorothy Kaster added a lot to the club's pep, by leading all the Mice in songs and yells, which went over big. If you would like to have more song and yells led by these two Salem high pepsters, drop me a card at the theatre.

Salkpoh pledges of Salem high are worried over the initiation which is coming up very soon. Being a good 'ole Salkpoh member myself, I can truly say that you Mice really don't know what good soup tastes like until you have tasted "Salkpoh Colaboration Soup." It hits the spot and comes back up.

Willamette freshies are still learning to be good stage performers in "Kangaroo Court," all of which is very amusing seeing boys sing love songs to some girl who probably hailed from corn country, out thar by Scio.

Elma Ray, a regular Mickey Mouse entertainer, is making fast progress in the musical world. She is now singing with a well-known local band, which is rising rapidly in popularity.

You Mice are having it so today we are requesting six big reels of cartoons, plus the Lane sisters in "Four Daughters," a story that deals with four small town girls growing up in this world. Don't forget that it is chapter one of that new Mickey Mouse detective drama "Red" Barry, plus a good selection of regular short subjects, and a peppy stage show.

See you at 12:30.

BILL, Mickey Mouse chief.
