Additional Sewer Building Proposed

Planning Council Will Ask That Matter Be Voted on by Citizens

SILVERTON—The Silverton planning council went on record Wednesday night as favoring a bond election to provide funds for additional sewers to complete the present system.

It was pointed out at the Wednesday night meeting that approximately \$12,500 would cover the cost of a complete sewer system for Silverton. Dr. P. A. Loar, chairman of the sewer committee, explained that the amount present users of the disposal plant will have by having the additional customers will pay the additional tax which the proposed sewer system will cause.

City beautification, including the building of a rustic bridge and the landscaping of the two acres acquired on the east side of Silver creek was also discussed. The Woman's club is being asked to take this project over.

Dr. Loar reported that he had met with the city council at a special meeting earlier in the week and at that time the city group had authorized the expenditure of sufficient funds to obtain specifications and plans for the disposal plant.

The planning council will meet again next Wednesday night with Chester Nelson, N.Y.A. supervisor from Salem, as guest speaker.
