'Cat Ripe for Kill.

-0-

In a crippled, wounded condition it would seem the Bearcat is ripe for the kill by this pack of barren denizens tonight. For it is when the prey is in the poorest condition to strike back that the coyote pack is wont to bare its fangs. In the hospital are two parts of the Bearcat hindquarters and the forward quarters are in a mangled condition. Left Halfback Gene Stewart and Fullback Neil Shaffer are definitely in no condition to kick back at a coyete attack, while it is doubtful that Carl Chapman, to have bolstered the 'Cat hindquarters that were weakened by Stewart's loss, will be able to go. A kick in the kidneys put the former Viking crasher on a hospital cot. --

Hunger Whetted.

Their hunger but sharpened by the mouthful of conference meat they digested out of a 7-6 win over the Loggers last week, the Coyotes will without doubt be drooling at the mouth as they start across the chalkmarked prairie of Sweetland. With everything to gain and nothing to lose it is probable they'll even throw the cautionof their kind to the winds as they concentrate on hamstringing the king of conference forest, the Bearcat, Should they succeed in making the kill it would be a deed recognized as extremely noteworthy by all of the balance of the conference. Should they lose it will be as most all expect. Yes, that Parberry pack is possessor of all the psychological aids in tonight's stalking.

Vikings in a Breeze.

To give you a prediction on the Viking-Grizzly clash at Mc-Minnville, I need but quote last year's score of 34-0 for the Vikings. From the Viking score would take nothing, as the Haukmen of '38 are offensively as good as the Haukmen of '37. Not as good defensively, I would normally have to hand the McMinnvilles about seven points. But, the McMinnvilles so far have been tragicly impotent-so it's a repetition of last year, 34-0 Salem. Other prognostications for Friday games: Greens 6, Leslie 13; Reds 0, Parrish 20.

Parrish Engages Sophomore Reds

Scoring 31 points last week to skunk the Greens, Coach Drynan's northend lads lead the city circuit. Leslie and the Reds fought to a scoreless tie, with the Leslies this week vowing to break into the win column.

Oregon Ducklings Ready for Rooks

EUGENE, Oct. 20-(P)-Oregon Frosh, after a heavy scrimmage with the varsity reserves Wednesday, tapered off today for their game with the Oregon State Rooks at Klamath Falls Satur-

day night with a light workout. Feature contest of the week was that between Elliott Wilson, center from Nebraska, and Lester Thompson, Reedsport, for the pivotal position.

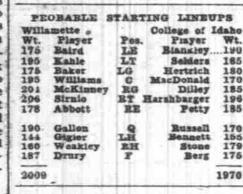

Parberry Pack Has Strength SPURIS

Bearcat Injuries Offset Weight Advantage Had Over Coyotes

Young Mr. Clem Parberry's pack of Coyotes from the state of Idaho invade the citadel of Keene's Bearcats at 8 o'clock tonight, for a Northwest conference football feature that will determine whether the Parberry pack's Hopsters at Berry City as win over CPS last week was a flash of the fangs or whether the Coyotes have the luster to clip short the 24 game conference win-

ning streak of Keene's 'Cats. Outweighed in the starting lineup but little over three pounds per sters will travel to Lebanon Fri-

Sweetland with an underdog rating that is almost offset by the injury epidemic that has struck the Bearcat camp.

Chapman Lost Latest addition to the Keene a close game. hospital list has been Carl Chapman, rookie left halfback who was nounced his starting lineup as being groomed to handle a good share of the position left open by the hospitalization of Gene Stew- Erickson, Day or Gehring at art. The Parberry pack features a fast running attack, functioning from a single wing and short punt formations, spearheaded by a southpaw pass-flipping phenom, Ralph Bennett. When Keene sends his own bundle of Bennett, the opposing left halfbacks will be all "Bennett."

Lineup Shifted Coach Hauk has indicated there will be three important shifts in his starting lineup. Bill Thompson, husky youth up from Parrish, will open in the pivot slot where the illness of big Jim Leedy has created a hole. Dave Traglio, kickoff thumping expert of the squad, will be at the right end position that opened up when Jack Gosser injured an arm during a scrimmage session of the week. At the blocking half job will be Bob Duke, pugnacious youngster who shared the spot with Harold Biles in the Albany fracas last week.

The rest of the lineup will be much the same as it has been in early games, with the exception of Yada getting the call at right o. guard over Wadsworth. Jarvis will be at the other guard, Tom Williams and Gene Wickham at tackles, and Lester Pearmine at the left wing.

Captain "Boomer" Butch Nelson will be sided at his fullback one defeat in the WVI league position by Don Waller and Bill Shinn, with Duke finishing out the quartet.
