Budget Meeting Today—Final action on the \$100,045.34 1938-39 tax proposed for the Marion county non-high school district will be taken by the district directors following the annual budget hearing to be held at 2 p. m. today in the office of County Superintendent Mary L. Fulkerson. Although the tax is \$5662.94 higher than that for the year 1937-38, it is less than the amount budgeted by the district for tuition payments during the current fiscal year. The budget was kept within the 5 per cent limitation by increasing the total of estimated non-district tax receipts.

Fair Exhibit Funds Sought

Farming and Livestock of State Wanted Displayed at San Francisco

Approximately 75 persons representing the agricultural and livestock interests of Oregon, appeared before the state emergency board Thursday and requested appropriations with which to arrange creditable exhibits at the San Francisco world's fair.

The request of the Oregon Purebred Livestock Breeders association was for \$25,000.

Ronald Hogg declared that livestock was one of Oregon's outstanding assets and that a creditable exhibit at the San Francisco fair would result in attracting considerable capital to this state. He added that the appropriation would be used solely for arranging the livestock exhibit and that not one cent of the money would be expended for administrative costs.

Livestock Important

Hogg said he was advised that seven classifications of livestock would compete at the fair and that exhibitors would be present from all parts of the world.

W. G. Ide, speaker for the agricultural interests, also stressed the necessity of Oregon having creditable exhibits at the San Francisco show. Ide said the agricultural exhibit would be state-wide.

For this exhibit the emergency board was requested to approve an appropriation of \$15,000, now remaining in the 1937 legislative appropriation for the New York world's fair, which will not be used. The New York world's fair appropriation will revert to the general fund, Ide continued.

No action was taken on the appropriation requests for the reason that only four members of the emergency board were at the meeting. It requires five of the seven members to authorize an emergency appropriation.

Those in attendance were Senators Frank Franciscovich, Astoria; Dean Walker, Independence; H. C. Wheeler, Eugene, and Representative A. Rennie, Corvallis.

Absent members are Representatives Harry Bolvin and Henry Semon, Klamath Falls, and A. S. Grant, eastern Oregon.

Two of the latter three members of the board telegraphed that they favored the appropriations but Senator Franciscovich, chairman, ruled that they could not vote by proxy or communication.

Another meeting, at which all members of the board will be asked to attend, will be held soon to pass on the requests.

Two special elections involving the creation of people's utility districts will be held in connection with the general election November 8, Charles E. Stricklin, state engineer, announced Thursday.

One project is known as the northern Wasco county utility district. This district would comprise a large part of the agricultural area of Wasco county.

The other is the McKenzie river people's utility district, extending from Vida to a point two miles beyond the McKenzie river bridge. These special elections were approved by the state hydro-electric commission.

Masonic Reunion Set at Portland

An event of much interest to Salem members of the Masonic fraternity will take place November 18-19 at Portland when the second annual Royal Arch reunion is held. All chapters of Royal Arch Masons in Oregon have been invited to participate.

Chapters will send candidates to Portland to receive the most excellent master degree Friday night, November 18. This will be conferred in the Washington Masonic temple. The following night candidates will be given the Royal Arch degree in the West Side Masonic temple, conferred by a special team.

Previous to the degree work, a banquet will be served at 5:30 p. m., at which candidates will be guests of honor.

Chapters are expected to confer mark master and past master degrees on their own candidates previous to the reunion, but for candidates who have been unable to receive these degrees, special communications will be held so that all may join the class, which is expected to number 200.

Multnomah chapter at Salem is receiving petitions for the Royal Arch degrees and expects to participate in the reunion.

Tillamook, Linn GOP Clubs Form

Tillamook county is going to vote heavily for Charles A. Sprague for governor of Oregon, and in Albany the women have organized in behalf of the republican nominee, Mrs. George Moorhead, chairman of the Salem Sprague-for-governor women's club reported last night following trips into those sections.

More than 50 Albany women attended a luncheon yesterday at Albany in behalf of the Sprague campaign, with Mrs. L. G. Lewelling presiding and Mrs. Moorhead being the main speaker.

Precinct committeewomen in Tillamook county have covered virtually every house in behalf of the major republican candidates, Mrs. Moorhead reported.

Attending the Albany meeting were Mrs. Charles A. Sprague as guest of honor, Mrs. Robert Craig, Mrs. Al Stewart and Mrs. Hal Patton of Salem. Mrs. Sprague also attended the Tillamook county gatherings.

Rev. J. F. Lawson New Pastor Here

Rev. J. F. Lawson, who comes to Salem from a pastorate in Bristow, Okla., has accepted a call to the pulpit of the First Church of God here and will preach his first sermon Sunday morning at 11 o'clock.

He succeeds Rev. M. J. Hooker who resigned several months ago to take a Seattle charge. During the interim, supply pastors have ministered to the congregation here.

Rev. Lawson builded the Church of God in Bristow to one of the largest in the city. Prior to the Oklahoma charge, he was pastor in Jefferson City, Mo., and before that served two terms as representative in the Missouri legislature.

Rev. Lawson announces that the church here, located at Cottage and Hood streets, is planning a revival for the near future.
