From a poor start the Missions have come far. They rose up on Armistice day to smite down Colorado college, doing that without the help of their prize fullback, Jim Morrill.

Today Morrill, the leather lug-

ger who last year scored six points against the 'Cats to cut short their long list of conference shutouts, is ready for duty. The Missionaries boast three backfield buddies in Morrill, Schneidmiller and Heilsberg who can toss that apple with precision. In Raykovich and Sawyer they have a set of wingmen noted for their sticky fingers. They predict they are going to

right out of the air.

Until I heard Willamette's seniors vow they'd make today's game the "toughest they've ever played" during the "Wreck Whitman" banquet Tuesday night, I was of the opinion the Bearcat cycle would continue its downward slide that started with the Pacific debacle.

But, after hearing Leighton Blake, George Sirnio, George Abbott, Francis Schmidt and Neil Shaffer tell, in quiet, convincing tone, how they intend to leave their marks on the Willamette-Whitman record books, I've changed my mind.

The Bearcats are due to roll. They won't be missing those blocks today. They won't be submarined in that line like they were by Pacific. It'll be a Willamette victory, with the score: WILLAMETTE 19, WHITMAN 6.

The fact that the Portland papers have handed Milwaukie the No-Name league pennant on a silver platter, (principally to build up the Milwaukie-Jefferson game there today), should give the Vikings all the more incentive to finish their season by soundly trouncing the Spartaus

Forrester Predicts Crowd of 30,000 Will View big Contest

PORTLAND, Nov. 23-(A)-Oregon State college and Oregon press agents and graduate managers were carefree today while their football coaches struggled against abundant worries for the civil war clash on Multnomah field Saturday.

Bud Forrester, Oregon State public relations representative. surveyed the rising enthusiasm for the northwest grid championship and predicted an attendance of more than 30,000, the largest crowd since some of the titanic Oregon-Washington struggles of other seasons.

Both Try Passes Meanwhile Coaches Tex Oliver of Oregon and Lon Stiner of Oregon State were encouraging their lads at Eugene and Corvallis to put their faith in an air attack.

The Beavers set themselves to harvest touchdowns on the pass defense weakness that made Oregon a mark for Stanford, Southern California, California and Fordham. The spirited Webfoots. however, recalled their secondary allowed only one completion for Washington and felt reasonably sure early season pass disasters would not be repeated.

The Webfoot backs knocked down pass after pass thrown against them in a scrimmage with the frosh.
