

Disposal Plant's Equipment Bought

Three Different Firms to Supply Unit Items for Silverton Project

SILVERTON—Barr and Cunningham, represented by G. V. Robinson, recommended to the city council at a special meeting Wednesday night that the low bids on each item for sewage plant equipment be accepted rather than the complete low bid of one company. Each of the nine companies submitting the bids which were opened at the Monday night meeting, bid separately on the three items to be supplied.

Link Belt company of Portland, bidding \$1795, will provide the settling tank machinery. Palmer Supply company also of Portland, bidding \$455, will furnish sludge pump. Dorr Brothers company of Los Angeles, bidding \$1115, will furnish the rotary distributor and dosing siphon.

To Get PWA Approval
A certified copy of the bids will be sent to federal authorities for approval.

The equipment will be used in Silverton's new disposal plant to be started around the first of the year.

The council also voted authorization of a special election for a \$20,000 bond issue for sewage system and \$6000 for swimming pool bonds.

Chemawa Youths to Give Program, Turner Church

TURNER—Rev. Willis J. Douglas announces that a group of young people representing the Christian Youth assembly of Chemawa school, will conduct the Sunday morning 11 o'clock service at the Methodist church, December 11.

Community Clubs

LIBERTY—The community club will meet Friday at 8 p. m. in the gym building auditorium. Sandwiches and cake will be served.

ALBANY—At the meeting of the Tallman community club Friday evening two short plays are to be presented. One will be "Henry's Mail Order Wife" and the other "The Kid Brother." Refreshments will follow the program.

Hope Given up for Five Missing in Plane Crash

View of plane wreckage

Pilot Charles Stead and wife

While the civil aeronautics authority opened an investigation into the crash of a luxury United Mainliner in the Pacific ocean near the rocky shore at Point Reyes, Cal., with only two persons out of seven aboard saved, coast guardsmen continued to hunt for the missing five who were believed

Frona Clay

drowned. The plane pancaked on the rough ocean when it ran out of gas during a storm. The pilot, Charles Stead, and one passenger, Isadore Edelstein, escaped. Wreckage of the plane, Miss Clay and Stead's reunion with his wife at Palo Alto after the crash are pictured.

Scotts Mills People Hopeful as Portlanders Ask Road Extension

SCOTTS MILLS—The filing of a petition by Portland people with the county court for extension of the Crooked Finger road through to Elkhorn heartens the people of this vicinity. Scotts Mills residents feel that such a road would bring many people this way from Portland to the hot springs or on a scenic trip.

The mines in that section may also come into activity again if the road is opened. The Ogletown mountain mine is a proven mine, having produced more than a half million dollars in free mill-

ing ore. It is still a good mine, but the ore is no longer free mill- ing and must be smeltered. The Old Red Rock is another mine which has possibilities. It was abandoned about 50 years ago because, while it had plenty of ore, it would only run about \$3 per ton. Three dollar ore 50 years ago is worth much more today with the increase in the price of gold.

Club Meets Saturday

WALLACE ROAD—The Willamette Lodge Country club will meet at the West Salem clubhouse, Saturday night for their Christmas meeting. Dinner will be served by Mr. and Mrs. Bert Flack and Mrs. and Mrs. W. D. Henry.

Outstanding 4H Youths Selected

Lyle Knower Gets Trophy as Best Clubber in Polk County Ranks

DALLAS—Silver cups were awarded to Lyle Knower, dairy clubber, Bob Lorence, sheep club, Irene Knower, sewing, and Evelyn Roming, cooking, as the four outstanding youths in their respective divisions as the chamber of commerce luncheon club at the annual 4-H club achievement day, sponsored by the Dallas chamber.

Lyle Knower was awarded the county agent's trophy as the most outstanding clubber in the county, and is the only 4-H member this year to retain permanent possession of a cup, for winning the dairy trophy three years.

Seymour is Speaker
W. C. Leth, Polk county agent, acted as chairman; speakers were

H. C. Seymour, state club leader, Leo Spitzbart, director of the Oregon state fair, and Josiah Willis, Polk county school superintendent.

Mr. J. A. Inglis represented the Dallas chamber at the program held at the theatre in the afternoon.

Nominate Officers For Luncheon Club

MONMOUTH—Nomination for officers featured the meeting of the Monmouth luncheon club at the Monmouth cafe Tuesday noon. The nominations were: S. C. Holliday, president; O. C. Christensen, vice-president; D. R. Dewey, secretary-treasurer; Matt Thompson, song leader; Ellis Stebens, skwagee; P. R. Bowser, and R. B. Swensen, directors.

Barney Howard made a presentation of a cup in behalf of the club to Mrs. Jimmie Riddle for the best score in Polk county for 1938 for Angora goats.

Youths to Attend Baptist Worship

ZENA—The Polk county Christian youth council has accepted the invitation of the First Baptist church of Salem, Liber- and Marion streets, to meet with them for universal Bible study Sunday, December 11, at 6 p. m. The topic will be "The Bible, Its Content, Purpose and Value." The evening message will be "Is the Bible a Supreme Revelation of God to Man or a Myth," by Dr. Irving A. Fox, pastor. A vibratory number and song by Mrs. Walter Duff, wife of the Presbyterian minister at Dallas, and the message by Dr. Fox will be broadcast over KSLM from 8 to 8:45 p. m.

Yenon Merrick, president of the Polk county Christian youth council, extends an invitation to all Polk county youths and adults to attend this meeting. The Spring Valley society will go in a group to Salem.

Boost Red Cross Rolls

SCIO—Along with virtually all other communities of Linn county, Scio materially increased its Red Cross roll call membership for 1938, according to figures compiled by the Rev. A. L. Metcalf of Tangent, county chairman. Scio's contribution of \$22 is an increase of practically 25 per cent over 1937.
