CHAPTER XIV

.13 .10 .15

Gordon looked for Avis and found her on the veranda in the half-darkness, her white satin dress shimmering, several diamond bracelets glittering on her brown arm.

Leaning against the porch railing he lighted a cigaret and said, "I can scarcely see you but I think the hair is red and so it must be you, Avis." And he knew her green eyes were looking angrily at him.

"So kind of you to take the trouble to find me. So you brought Constance tonight. Showing her a little glamor, is that it?" Her voice was what she's been missing all these gulfed her ... years? You've such a wonderful line, Gordon. You haven't forgotten That's a laugh! Being thrown over for a girl from Vine Street. But those girls seem to have something. strength nor tears left. Look at Rosalind married to the richest boy in town ..."

As he inhaled the cigaret, he saw her tense angry face in the glow. "I only wanted to show Constance a good time. She hasn't had much fun and she's been working hard." Leaning forward, he took her hand, drew her to her feet, and then close Constance, I hope. Only two days her once tonight."
ago when I asked you frankly if you Her voice sou

Gordon smoked another cigaret thing wrong?" pefore he went in. Avis knew about | She laid her hand on his sleeve. him! Odd girl, Avis. Strong, fiery, "Please don't ask me any questions yet tender at times. They had had and please take me home. many tender moments.

He smiled in bitter amusement. He had come to Northwood looking in five minutes." for peace and quiet. Instead he was not only complicating his already complicated life but he was drawing would make her afraid and perhaps quarreled. It wasn't any of his busitender, and in a tender mood he uld ask her to marry him. But he had begun and he had to see it through to the end.

Close to him, feeling his arms around her, she was confused and afraid again. But confusion and fear had been growing in her since dressing table burning, she stood in that rainy night. What was happening to her? The throbbing music her face with her hands. And soon would not let her think clearly. She the palms of her hands were wet.

felt stirred and excited. By Gordon? This room had been the center of Oh, no, no! But the excitement of her dreams and thoughts since childtht made Terry remote. She could not keep him close tonight.
"I'll write to him when I get home no matter how late it is and that will bring him close."

"Having a good time?" he asked.
"A wonderful time." If Rosalind

"A wonderful time." If Rosalind She was unworthy of his love for her and she was unworthy of his love for her. She thought, "I can't think about it. I'll go crazy. I never dreamed that this could happen to But she knew she would refuse his

next invitation and next Saturday she would drive the hundred miles to the camp to be with Terry. Moonlight on the river and pine trees, he had written. How much more satisfying they were than dancing in a warm, crowded country club ball-room with people with whom she did

The music stopped. With her arm window, and sat down. But she was through his, they crossed the room not seeing the familiar room. She and went outside and walked to the ning pool in the darkness.

She did not know that she was the truth she had to face! Under lifting her lips for his kiss. And her first impulse was to pull away. But she could not pull away. Something stronger than she was, something stronger than anything she had ever felt before, kept her there. And because her eyes were closed he could past see the tears on her lashes. No she knew that she would want him she had so for her lashes. No she knew that she would want him she had so for her lashes. No she knew that she would want him she had to face! Under don's arms beside the pool in the darkness. A hundred times she heard him say, "You love me, Constance." It was maddening.

And after two days it was still no better.
