Polk County Sheriff's Office Makes 216 Arrests During 1938

First Summary

Two Jail Breaks, Capture of two Escapes Feature **Busy 12 Months**

DALLAS-A summary compiled from the records of the Polk county sheriff's office shows that a surprisingly large number of cases have been handled by that office during the past year. The compiliation was made by Deputy Sheriff W. W. Williams from the record bureau files. This is the first time such a summary has been prepared and therefore a comparison with other years cannot be made.

The records reveal that a total of 216 arrests have been made by the Polk county sheriff's office during the past 12 months, of which 84 were for felonies and 132 for misdemeanors. During that time there have been two jail breaks with five prisoners escaping, all but one of these being apprehended. Two escaped prisoners from other states were recaptured and returned to the proper authorities. Fifteen prisoners who were held in the jail received penitentiary sentences.

18 Unnatural Deaths

The records also show that there were 18 deaths in the county during the year. Three of these were by suicide; two by fatal burns: four by automobile accidents; one by a fatal fall; two by poison; three by logging; two accidental shootings and one person reported missing and not found. Twenty-nine criminal cases were dismissed by the courts. The more frequent criminal cases, handled by the sheriff's office during the year included: forgery, 17; burglary, 18; petty larceny. 14; grand larceny, 7; rape, 2; lar-

ceny from an automobile, 10; drunken driving, 6; arson, 10; drunk in a public place and drunk on a highway, 43; reckless driv- Frank Powell Heads Suning, 3; all other motor vehicle violations, 19; game violations, 7: concealing stolen property, 4; obtaining money under false pretenses, 4; non-support charges, 5; lewd and liscivious cohabitation, 4; assault, battery, 6; arrests on warrants from other counties, 7; jail break, 5; checks without sufficient funds, 3: larceny from a store, 3; and many others for which occurred just once in the

The above figures cover only the cases handled by the sheriff's office. Other crimes have been committed in the county and other arrests made and disposed of that did not come through this office in any way.

Farmer Dies

John B. Stump Is Called at Monmouth Home at Age 80 Years

MONMOUTH-John B. Stump, 80, a native of Polk county and farmer whose vision has meant much to Wilamette valley stockmen, died at the home here Tuesday.

Mr. Stump was born on the family farm here October 22, 1858, and attended local schools. His father's illness caused him to give up plans to attend Harvard college with his boyhood companion and life-long friend, the late Prince L. Campbell. He devoted himself to operation of his father's farm of 2000 acres and became the first pureterd livestock breeder in this area. He introduced the first puerbred Lincoln sheep to the Willamette valley; shipped the first carload of purebred rams to eastern Oregon stockmen for range breeding, threby opening a sales market which proved profitable to valley breeders; he bought the first purebred Angora goats; owned and bred the
