

McGinnis Chairman of Newly Created Atheletic Commission

Mayor Zetta Assumes Job

Retiring Official Suggests new Body as Last Act of Administration

SILVERTON—One of outgoing Mayor W. H. Moffett's last moves for the city of Silvertown as he closed his business as mayor Monday night was to create, by ordinance, an athletic commission. The ordinance was passed at this meeting.

The new ordinance provides for an athletic commission of four members to be appointed by the mayor with the approval of the council members and to report regularly to the council. Two of the commissioners will sit for two years, and two for four years. Mayor Schlador named on the commission W. L. McGinnis, chairman, J. H. McCullough, secretary, E. Jay McCall and Harold Adams.

May Buy Sather Land

John Porter of the sewage disposal plant committee reported that approximately 5 1/2 acres would be purchased for the use of the plant and the city dump. The survey will be completed in three or four days. The right of way probably will be purchased from Albert Sather with the take-off to be between the Sather home and the E. S. Logganbill home.

In Mayor Moffett's swan song he expressed gratitude to the old council members and briefly mentioned "the stabilization of city financial conditions which had been accomplished during the past two years."

George W. Hubbs, city recorder, swore in Silvertown's new mayor, Mrs. J. C. Schlador and Councilmen R. A. Fish, Al Coote and L. F. Tucker.

One of Mayor Schlador's first moves was to create a "president" of the council to lead out in discussions and to serve in the absence of the regular mayor. John H. Porter was appointed as Silvertown's first council president.

An application from Berger Feniede for a license to operate two card tables at his newly acquired place, the old IEU club rooms was received. Bill McDonald, citizen visitor, asked if there were not an old city ordinance requiring that card tables at Silvertown be in full view of the street at all times and that operators of card tables be under bond. Mayor Schlador instructed the judiciary committee to investigate.

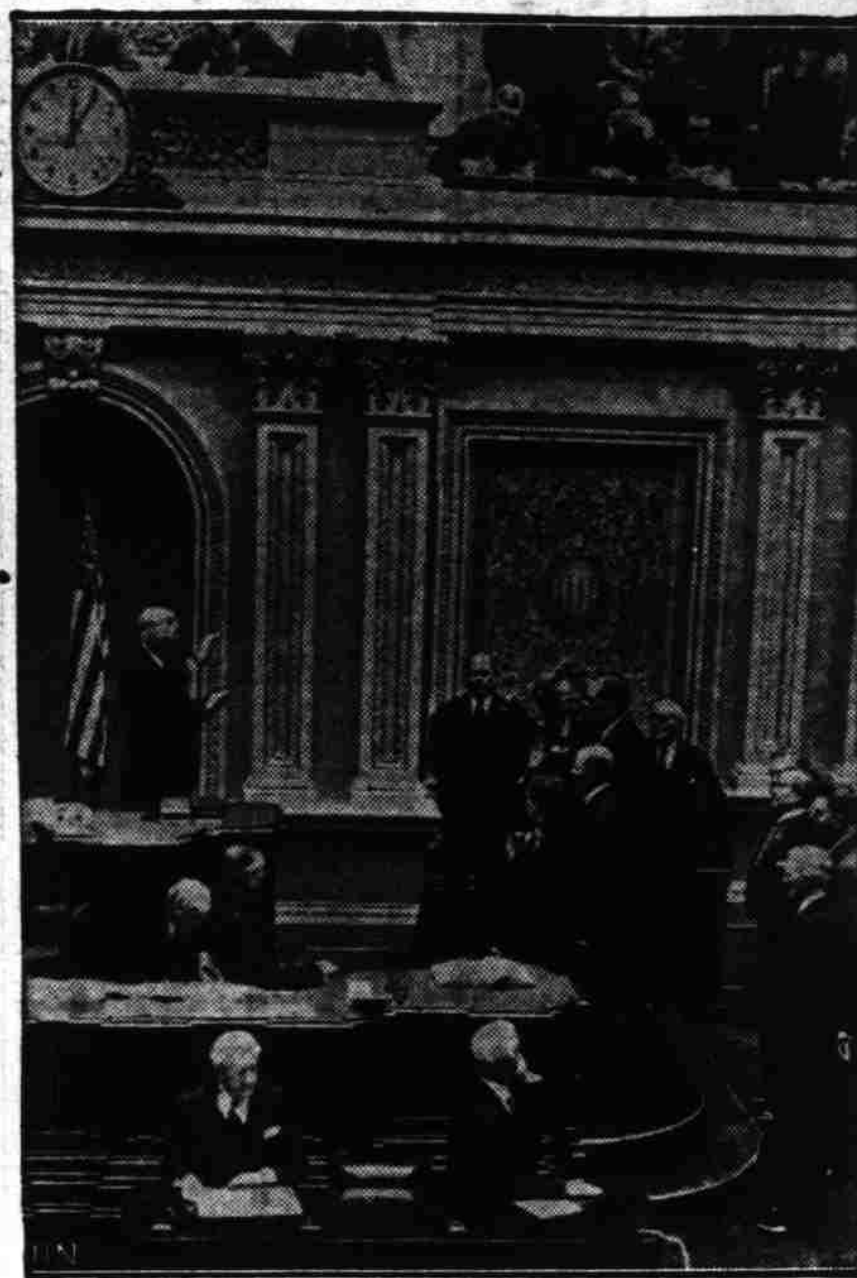

Mayor Schlador suggested the passing of a bicycle ordinance at Silvertown which would regulate the bicycle menace. Rex Albright, city attorney, reported that such an ordinance already existed, and George W. Hubbs, city police judge as well as recorder, reported that no violators had ever been brought before him. The police were instructed to enforce the existing ordinance.

Must Prove Love

Parents of 15-year-old Lois Henningsen Johnson, who eloped from Enumclaw, Wash., with 25-year-old John W. Johnson, have granted the couple a chance to prove their love by a two-months' separation. The young bride won the chance to prove their love in a tearful interview with her parents at Seattle after they had filed charges against the husband of contributing to the delinquency of a minor. The bride and her husband are shown in Seattle. (AP Feature).

Garner Swears in new Members

Vice President John Nance Garner swearing in new members

Congressional opening in Washington takes the news spotlight in the United States. Here is Vice President John Nance Garner swearing in the new members.
