

Phone Mutual Assesses \$8

Borovicka Renamed Chairman; Mrs. Weddle Is Operator Again

SCIO—R. R. Borovicka, farmer six miles southeast of Scio, was reelected president of the Scio Mutual Telephone association, at the organization meeting of the board of directors following the annual stockholders' meeting. Borovicka has served two years in that capacity.

Joe Menhart, Jr. was retained as vice-president and William Miller of Mt. Pleasant was chosen as the third member of the board. Mrs. Frank Bartz, secretary, was reappointed by the board. The Scio State Bank was retained as treasurer.

Elect Mrs. Weddle
Mrs. Jennie Weddle was continued as switchboard operator, a position she has handled here for more than 30 years. The operator is paid \$100 a month, the secretary \$50 a year and the treasurer \$5 a year.

Financial condition of the association, which had been officially reported as most unsatisfactory, was discussed in detail at the annual meeting, attended by approximately 40 stockholders.

The secretary reported \$62.75 in the treasury. Estimates of running expenses for the current year were placed at approximately \$1618. Delinquent taxes at \$345. Ways and means for meeting this obligation were discussed but no definite action taken.

Country lines are to be assessed \$8 a year and the board was authorized to determine amounts to be charged for phones within the city limits.

Approximately 234 phones are included in the Scio mutual system.

Hubbard Council Names City Aides

HUBBARD—The city council of Hubbard met for the first meeting of the new year and seated the newly elected councilman, L. M. School. In place of F. Mallory, who died soon after the election, Charles Crittenden, a former councilman, was appointed to serve for one year or until the next city election. George Knight was reappointed city clerk; Mr. Lester, marshal; J. B. Yoder, caretaker of streets; and Otto Miller, water supervisor.

Quorum Fails to Appear For Telephone Elections

TURNER—Turner telephone company called for the annual January business meeting as usual but no quorum has been present for two years. The hold-over officers are C. A. Beer, president; E. S. Prather, secretary; treasurer; H. R. Peetz, lineman; Floyd Parker, director.

Dash Crash, Flash, Trash

Flaming wreckage of passenger car

Occupants of this flaming automobile were really lucky to escape with minor injuries after a series of events which befell it. The car left the road near Springfield, L. I., crashed into an electric light pole which promptly toppled on the auto roof. A broken tension wire fell on the gas tank and the explosion which followed enveloped the car in flames. When the light pole fell, it set off a police alarm system which summoned the police who saved the occupants, Mr. and Mrs. Andrew Cummings and John C. Wright.

Stone From Jordan Area Used for Riprap Work on River in This Area

SCIO—Stone deposits of superior quality in the Jordan area near Scio are being used for dike and riprap purposes along the Willamette river between Jefferson and Salem. The rock deposits, opened and developed in recent months, are proving valuable in preventing destruction of agricultural lands and controlling overflow along the Santiam and Willamette rivers. The rocks are being transported through Scio to their destinations by a fleet of trucks.

Banks of the Santiam river, between Jefferson and its confluence with the Willamette, are being repaired at a cost of approximately \$90,000. It is estimated this repair work is in anticipation of more extensive and permanent construction in this line contemplated by the Willamette river project which has been before the national congress for several years.

Silverton's First Telephone Shown In Display There

SILVERTON—Of interest to passers-by is the telephone display at the local telephone office window. Side by side are Silverton's first telephone and Silverton's most recent telephone. The first telephone is an old brown wooden box affair brought to Silverton in 1891 by Adolph Wolf, early merchant and hobbyist, who used the telephone on a private line between his store and home.

Another telephone on display is the magnetic type made at Berlin, Germany, and brought to Barlow in 1880.

Grange Program To Be Air Theme

DALLAS—Next week's regular extension service broadcast over Station KOAC Tuesday at 12:15 noon will feature Joe Harland of Rickreall, Jesse Johnson of Monmouth and W. C. Lech, Polk county agent, who will discuss the grange agricultural committee work in Polk county.

Johnson is chairman of the Monmouth grange agricultural committee which last week was awarded the Dallas chamber of commerce plaque for having carried on the most outstanding agricultural projects among county granges during 1938. Harland is chairman of a corresponding committee of the Rickreall grange which ran a race second for this award.

Woollies Appear In Large Number

SCIO—Large numbers of new lambs are beginning to appear in flocks in the Scio area. Weather has been favorable to the advent of the young woollies, sheepmen state.

Livestock generally is wintering exceptionally well in this locality, with sheep pastures sufficient in many cases without additional feed. Dafodil shoots are several inches out of the ground in Scio yards, and primroses are in bloom. Greener pastures than usual for January are another sign of spring in this locality.
