

Start Fiesta Preparations

Hop Bowl Officials Plan to Begin WPA Project in Short Time

INDEPENDENCE—The Hop Bowl Inc. held a meeting at the city hall Tuesday night to discuss plans for the WPA improvement project which has been approved and also to start plans for this year's hop fiesta. Acting Secretary Glen C. Smith revealed that the fiesta more than paid its way last year. His report

showed that nearly \$200 was paid on the indebtedness and also about the same amount was paid for the construction of a ramp, with still a small balance on hand.

Urges Cooperation
Robert Craven, president, urged the cooperation of all people here and said that the officers wanted suggestions to make this annual event even more successful. He also suggested that a board of directors be appointed to pass all matters pertaining to the fiesta.

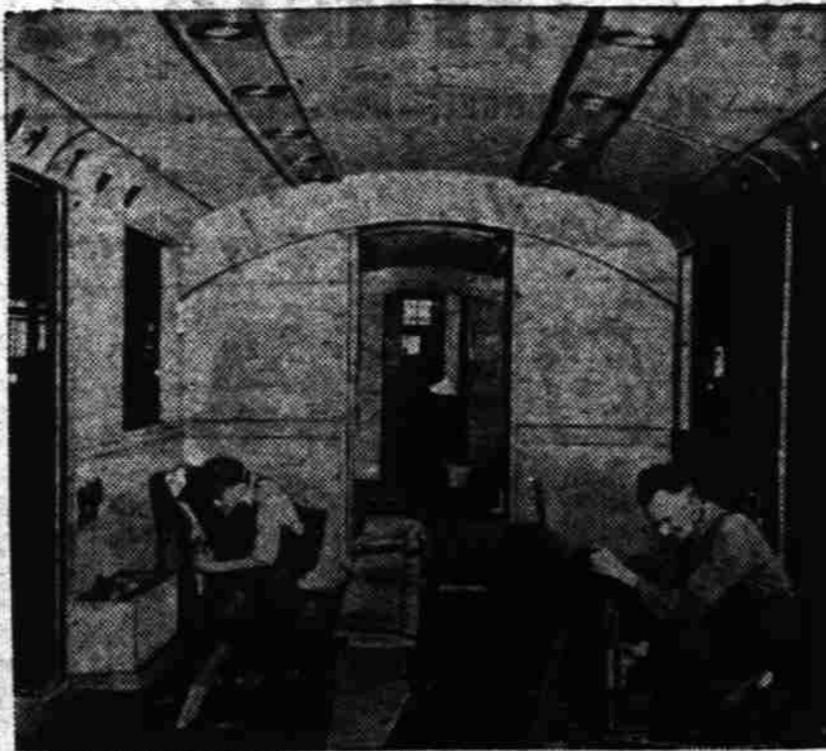

A committee was appointed to check up on the incorporation papers of the Hop Bowl and also the by-laws and report to the next meeting, in conjunction with the meeting of the chamber of commerce at the Methodist church next Tuesday night.

Vision Future Park
Those present at the meeting voted to proceed with the hop bowl project as soon as the materials could be obtained and the conditions of the hop bowl would permit.

Some of those present suggested that the present project was only a start of what could be done to make the hop bowl an outstanding recreational center for independence with a possibility later of a park, swimming tank and other recreational features.

CE GROUP MEETS
WHEATLAND—Mrs. W. B. Magnus entertained the Union-ville Christian Endeavor young people at her home at Wheatland Tuesday night with 14 members present.

Last Word in Subway Cars

KIT CARSON

—Avenger

Kit picked out the medicine men, twisting a skull, as the whooping Apaches whirled about the trappers. . .

Kit Carson—hero of this thrilling saga of early America—rose from Indian scout to Civil War general—helped lift the flag that proclaimed California no longer a province of Mexico—fought Indians and Mexicans and won the respect of both.

Kit Carson loved deeply and more than once. Behind his glance of incredibly honest blue there was softness and flame:

Evelyn Wells reaches a new high in this stirring story played against the rich background of early days in the West. "Kit Carson—Avenger" will bring you adventure, action, romance.

Join Kit Carson as he sets out to blaze a trail never equalled in America.

SALEM'S RETAIL PACKING PLANT 351 STATE ST.

PICNICS Sugar Cured lb. **14c**

BACON BACKS Light Ones lb. **15c**

Believe it or not—this little "Midget" plant of ours is cutting up to 100 porkers per week. Grown in Marion and Polk counties, slaughtered in Salem, prepared the old fashioned way (slow cure), our meats have that delicious-mild home cured flavor.

COTTAGES Easy to Slice lb. **20c**

Pure Lard Rendered Home 4 lbs. **30c**

SLICED BACON "Flavorized" lb. **20c**

BACON SQUARES Lean Streaked lb. **12 1/2c**

Bacon has so many uses—from the thin slices, which are a part of most American breakfasts, so the humble chunk which is destined to be boiled with greens or beans for dinner, turning them into bits of delectability. Bacon runs the whole gamut of meals, plain and fancy. You just can't keep house without it.

SIRLOIN STEAKS Tender lb. **15c**

POT ROASTS Meaty lb. **10c**

WEINERS Small Ones lb. **17 1/2c**

It surely makes us feel good, when we see so many new faces who have become regular customers. They are people who formerly thought that in order to obtain good meat, it was necessary to pay a high price.

NO TRICKY BARGAINS—WHEN YOU SEE IT IN OUR AD, IT'S SO.
