"I feel sorry for Parker. He has to work like a slave in order to meet the payments on his wife's labor saving devices!"

Just proving again that the machine doesn't cause unemployment. And also proving, on the left for instance, that a "ready-made" today—typical product of the machine age—provides the fit and the effect of painstakingly handmade ones, as witness this sheer crepe afternoon dress with bodice and sleeves completely tucked on the bias. Available in many colors with bouquet of self material included. Life size bunches of grapes lend exotic grace to the silk print with draped bodice on the right.—Copyright, 1939, Esquire Features, Inc.

Crackers Appear In Many Novel Recipes

Home economics writers find many helpful hints in each morning's mail, and a new monthly release, written by the makers of fine crackers, features this type of food in new and interesting recipes. As an example of some of the suggestions for using crackers in the everyday meal, just look at these recipes—

First come a recipe for an interesting casserole called—

PREMIUM PIE

- 1 cup diced cooked carrots
1 cup cooked lima beans
1 small onion, minced
Crackers
2 cups diced cold beef
2 1/2 cups beef gravy
Salt and pepper

Heat vegetables and put in a greased hot casserole. Add onion and diced beef to gravy, and heat. Season to taste. Turn out over vegetables. Cover with buttered crackers and place under low broiler heat until crackers are a delicious brown. Serve immedi-

ately allowing four crackers for each serving; covering generously with the beef mixture. And next we find such a fine sounding snack as

NIBBLES

Spread crackers thickly with peanut butter. Top each with a tiny square of bacon and place in a (425 degree) oven or under broiler until bacon is crisp. Remove to serving place and serve immediately.

CHOCOLATE CREAM PIE WITH VANILLA WAFER CRUST

Crust: Line a 9-inch pie plate with small vanilla wafers standing a row around inside of pie plate to form edge. Fill in spaces between wafers with crumbled wafers and add

- 2 squares unsweetened chocolate
2 1/2 cups milk
1 cup sugar
6 tablespoons flour
1/2 teaspoon salt
1 egg
1 teaspoon vanilla
Add chocolate to milk and heat in double boiler until melted. Combine sugar, flour and salt and add gradually to chocolate mixture. Cook until thickened, stirring constantly, then continue cooking 10 minutes longer. Add

egg yolk, stirring vigorously, and cook 2 minutes longer. Add vanilla and cool. Fold in stiffly beaten egg white. Turn into vanilla wafer pie shell and chill. If desired, before serving cover with sweetened whipped cream.

Manufacturers Recipes

Party punch is among the recipes from manufacturers' test kitchens as sent to the Oregon Statesman this week.

GRAPE PINEAPPLE PUNCH

- 1 1/2 cups water
1 1/2 cups sugar
1 pint strong Tree tea infusion
2 cups grated pineapple
1 quart grape juice
Juice 6 lemons
Juice 6 oranges
2 quarts chilled water
Dissolve sugar in 1 1/2 cups water. Add tea infusion and fruit juices and pineapple and let stand one hour. Add chilled water and serve with chopped ice. Serves 25.

ORANGE AND LEMON FILLING
1 teaspoon butter
1/2 cup White Satin sugar
2 tablespoons flour
2 1/2 tablespoons grated rind of orange
1/2 cup orange juice
2 teaspoons lemon juice
1 egg
Mix sugar, flour and grated rind; stir in fruit juice and add egg, slightly beaten. Add butter and cook in double boiler until quite thick (about 15 minutes). Cool and spread. Makes enough filling to cover top of two 9-inch layers.

COFFEE BREAD PUDDING
2 cups stale breadcrumbs
1 quart milk
1 1/2 tablespoons ground MJB coffee
1/2 cup sugar
1/2 cup melted butter
2 eggs slightly beaten
1/2 teaspoon salt
1/2 teaspoon spices
1 teaspoon vanilla
Scald milk with coffee, strain, soak bread in the milk, cool, add other ingredients. Bake 1 hour in a slow oven. Serve hot.

TOASTED TEMPTERS

Spread crackers with lemon butter (a little lemon rind and lemon juice added to the butter) and toast for a few minutes under the broiler.
