

Sewer Bonds' Offer Taken

Tripp and McLeary's Bid Also Is Accepted for Swimming Pool

SILVERTON—At a special meeting of the city council Thursday night, two bids of Tripp & McLeary were accepted for bond issues. On the \$20,000 sewer bond issue the Tripp & McLeary bid was \$100.11 with interest rate at 3 1/4 for \$16,000 and 3 per cent for the rest. On the swimming pool issue of \$5,000 the bid was \$100.25 and interest 3 1/4.

The bids were accepted subject to WPA approval. Ordinance were read providing for the issuance of the bonds.

Both bond issues were authorized in the recent special election. Sidewalk Asked

Lester Standard, representing the local safety council, appeared before the council asking if permission could be granted to put a four-foot sidewalk on East Oak street over East Hill instead of the six foot sidewalk which the law provides. He explained that there was no walk now and that children coming into school had to walk on the paved street. With cars coming up and down the hill this proved dangerous. Funds could be secured for a four foot sidewalk, he said, but not for the six. The council took no action.

It was reported that, weather permitting, the new sewage disposal plant would be completed in 45 days.

Bette Davis, Tracy Win Acting Honor

(Continued From Page 1)

Rooney, juvenile players, "for their significant contribution in bringing to the screen the spirit and personification of youth."

Art direction—To Carl Weyle for "Adventures of Robin Hood." Photography—Joseph Ruttenburg for "The Great Waltz." Sound recording—T. T. Moulton for "Cowboy and The Lady." Best musical scoring—Alfred Newman for "Alexander's Ragtime Band."

Best color photograph—To Metro-Goldwyn-Mayer for "Sweethearts." A special award was given Walt Disney for his production of "Snow White and The Seven Dwarfs," as "significant innovation" which "pioneered a great new entertainment field in motion picture cartoons."

Effort for Milk Repeal Vote Due

(Continued from page 1)

Issue which had been a matter of controversy for several years. While Sen. Thomas R. Mahoney (D-Portland), sponsor of the bill along with Sen. Chaney of Coos, said "Let's wipe this un-American, monopolistic law off the books," Sen. Lyman Ross (D-Aloha) said the board "has stabilized the industry as never before and has maintained constant quality and quantity."

Those in favor of letting the voters decide whether to abolish the board were: Republicans—Balentine, Best, Booth, Childs, Duncan, Dunn, Stadelman, Stetwer, Wiperman and Zurcher.

Motor Speeders In Salem Lose Time and Cash

"Speed won't get you there in a hurry if the city cops get you first" seems to be, in view of the fact city police have booked 12 motorists for violations of the basic speed law in the last two days, an adequate axiom.

The "hurry-up" lads post \$5 dollars bail, of which they sometimes get \$2.50 back when appearing before Municipal Judge Warren A. Jones.

Nine were "tagged" as moving too swiftly for existing traffic conditions yesterday, namely: George Calaba, Commercial and Hoyt; Maurice L. Hunt, 105 Silvertown road; Glenn C. Upham, 4633 Southeast Taylor; Bruce W. Harold, 1929 Perry; Virgil L. Sloan, 465 Center; John T. Anderson, route six; James H. Johnson, 2184 South Winter; and Vincent Clayton McDonald, route three.

Soil Conservation Plans Discussed

County Committees Hear 1939 Federal Program Outlined at Meet

Plans for setting in motion the 1939 soil conservation program in this county were outlined at a meeting of the various community committees, held yesterday at the chamber of commerce with Albert Girod, chairman of the county committee, presiding. Every committee member but two attended.

Following the meeting County Agent Harry Riches said small meetings will be held over a period of time to eventually cover all districts of the county, with these to start possibly in two weeks. At these farmers will be fully advised of the conservation program for this year.

Speakers yesterday were William Enchly of Washington county, a member of the state committee, who urged that farmers make an effort to comply with the conservation setup, for of all the aids the government has tried for agriculture, this seems to work the best, he said.

N. Bodeker of the state office discussed the program and practices, especially as applicable to the Willamette valley. Bodeker explained in detail the estimate sheet which must be filled out by each grower this year before he can become eligible for payment under the program.

The committee members each filled out estimate sheets for his own farm yesterday to be thoroughly familiar with this procedure before the various district meetings are held. These sheets will be filled out partly in the conservation headquarters, the county agent's office, before turned over to the individual farmers.

Oregon State's Rooks Best Ducklings 65 to 47

CORVALLIS, Ore., Feb. 23—(AP)—Oregon State Rooks won their 15th basketball game of the season tonight, defeating the University of Oregon Ducklings, 65-47. It was the fourth win for the Rooks over the Eros. Valenti was high with 18. Gard topped the Frosh team with 14.

Democrats—Chaney, Eays, Mahoney, Strayer, and Wallace. Absent—Staples.
