Everyone hereabouts will want glimpse of the "Old Fox," who has probably done more for American football than any other living man today. And, since Warner will handle the offensive stratagisms of the Spartans, it is pretty much of a cinch that he'il be in Salem come Novem-How did Warner happen to

take the job? It seems "Pop" made it known he was available in an advisory capacity to Stanford, just for the fun of keeping his hand in. Warner has his home in Palo Alto. and being atop Indian activity, figured he'd like an active in-

terest in a football team. When Stanford made no move to accept him, quick-triggered DeGroot popped in on "Pop" from San Jose, and the deal was quickly made. DeGroot is an old pupil of Warner's, and the arrangement is bound to profit him and the college as much as it brings pleasure to Warner. "Pop" will handle the whole

offensive department," Jud told the San Francisco press. And that's just what Pop loves to do. You can bet there'll be a lot of coaches poking around the Spartan grid next fall, and that Sweeland will have one of its largest turnouts in history if Pop comes north with the Spartans to play Willamette.

LaGrande Dropped.

What ho, Mr. Detlefs! Did you perchance see what happened to LaGrande, the team both of us picked to repersent district one. and the team you nominated to oust Salem and play in the final state tournament game against Tillamook? The high-country Tigers got what happens to lots of clubs in tournament play. ? squelching by a team over which they held the whip hand all through the regular season.

Ontario ousted the Tigers, and that makes Bakers Bulldogs a favorite to repeatproviding Ontario doesn't bash them too. But, Mr. Detl fs, you and I probably feel not one whit as badly as does Sob Bergstrom, the ex-Oregor Stater who went from Junction City this year to coach the Tigers. He pushed them into the championship of the Blue Mountain league, only to have Ontario drop an ouster axe on their state tournament .. mbi-

And, Mr. Detlefs, another one of our picks, Chiloquin, has fallen by the wayside. Coos River conked the Chiefs, and now the district 14 championship is pretty much in the hands of Coos River and St. Mary's of Medford, with St. Mary's favored. That will give Medford double representation in the tourney, just as Eugene had last year.

Pell-Mell:

No Denver trip for the Bearcats. Those pesky Wolves, the gang that ousted 'em last year, did it again Thursday night in Portland . . . But the Bear-cats, whom "Happy" Howard Maple was afraid would have a let-down following their concerted drive for the Northwest conference championship, are probably just as well off. . . . They've finished a highly successful season, winning 24 of 30 games, and would get nothing out of the Denver tourney except the and experience. . . That ably sounds like sour grapes, but in view of the fact that o less than four of the 'Cat courtsters are topnotch baseballers and would have lost valuable practice time on the Denver trip,

'tis just as well. . .

A funny one, lifted by the Readers Digest from a small Mississippi paper: "Important Mississippi paper: "Important Notice—Positively no more baptizing in my pasture. Twice here in the last two months my gate has been left open by Christian people, and before I chase my helfers all over the country again, all the sinners can go to hell" . . .

Les Sparks, because of in-

creasing duties in the graduate manager's office, will foresake Bearcat track coaching this spring. . . . Howard Maple will tutor the 'Cat scantclads . . . Both times Oregon was beaten this season, prior to the corrent Washington series, it was done with sone defenses. . . And who ever heard of Hec Edmundson employing the dratted zone? . . . Three of the four past winning jockeys in the Santa Anita handicap will be shooting for their second victory in the \$100, 000 classic this afternoon . . . The three, Nick Wall, Harry Richards and Georgie Woolf, face long odds in their quest of glory and a sizeable amount of cash.

Four Pre-Season **Games Scheduled**

WOODBURN—Four pre-season games have been scheduled for the Woodburn high school base-ball team, including a game with the Oregon State rooks there on April 22 and one here on April 25.

The dates for a home and home series with the Oregon frosh have not been decided. There is also a possibility of a pre-season game with Lincoln high of Portland.

Smith Winner From Splawn

Local CYO Man Wins Top Match: Card Mediocre as Fighters Absent

Zeb Smith, CYO light-heavy weight, decisioned Multnomah club's Marvin Splawn in the fourround top bout of last night's mediocre amateur card at the armory. Failure of a number of that lacked the ferocious fighting of the last appearance of the local CYO barn.

Smith's decision was by a narrow margin, the Portland boy giving as good as he got most of the way. There were no knockdowns. Shoulderblade Decisioned

Sammy Shoulderblade, CYO 135-pounder, lost a decision to smooth-working Bobby Jenkins of Multnomah club. Shoulderblade took only one round, the third, of the four-round mix, and as the bell sounded to end the final heat Jenkins crossed a right that floored the local Indian. Other results:
