

### Lutherans Plan Annual Banquet

#### Men Ask Planning Council to Aid in Stopping Beer Sale at Ball Park

SILVERTON—At Tuesday night's meeting of the Lutheran Brotherhood, Alf O. Nelson presiding, a committee was named to have full charge of plans for the annual father and son banquet, with the affair open to any father and son that desires to attend and special invitations extended to Lutherans of Salem, Clatsop, Aurora, Woodburn, Monitor and Clifton. On the committee are John Goplerud, Tom Anderson, Elmer Johnson, H. N. Kler and Silas Torvond.

The Brotherhood is asking the planning council to make special effort in hindering the sale of intoxicating drinks at McGinnis field during baseball games. The organization has in mind a "Lutheran day" at the Silverton

park during June when it will be possible to have delegates from the eastern and middle sections of the United States present, en route to Los Angeles where two national and international conventions are to be held. At the May 9 meeting of the group, this plan will be discussed more fully and committees named to further the plans.
