

# Baby Edition

Salem, Oregon, Sunday Morning, May 14, 1939

Every curly-haired infant boy is a potential president . . . every pink-cheeked baby girl an heiress to the estate of love, guidance and comfort her parents build for her. And so to every little boy and girl . . . and to every mother, of every age . . . this Baby Edition is tenderly dedicated on Mother's Day . . . by this, the family's newspaper.

The Oregon Statesman
