British Monarch, Queen Visit New York

While thousands lined the streets, giving a rousing welcome, the king and queen of Britain spent six hours in New York City. Here the royal procession moves up a west side express highway with the skyscrapers of lower Manhattan in the background. Some 3,000,000 gave a thundering welcome to the visitors.

Reichschancellor Adolf Hitler is shown as he reviewed returning German troops which fought for France in the Spanish war as they marched through the streets of Berlin. The soldiers are members of the German Condor Legion.

State Grange Top Views With Alarm

Opposition to the county unit school system, campaign for higher salaries for state legislators, and consistently opposite chin stores as "glant monopolies" providing "the road to dictatorship."

He expressed the grange's opposition to a bill passed by the legislature moving Oregon's primary back from May to September. Sprague Defends Primary Change

Gov. Charles A. Sprague told the grangers late today he thought the May primary date was a handicap to poor candidates who could not afford a long campaign and asserted the presidential preference primary had lost its significance anyhow. He defended his approval of the bill changing primaries to September.

Reed Prof Irked By Aryan Clause

PORTLAND, June 12.—(P)—Dr. G. Bernard Noble, political science professor at Reed college, said last night he had refused an invitation to join Delta Phi Epsilon, national foreign trade honorary society, because of an Aryan clause in membership requirements.

"I don't believe it has any place in a professional organization," said Dr. Noble. "In the first place it is impossible to determine scientifically what an 'Aryan' is anyway."
He said Dr. Charles B. Martin of the University of Washington issued the invitation in an attempt to establish a chapter in the Pacific northwest. Dr. Noble added the Aryan requirement was set by the national organization.

BACKACHE, LEG PAINS MAY BE DANGER SIGN

Of Three Kidneys
If backache and leg pains are troubling you, don't just complain and do nothing about them. Kidneys may be warning you that your kidneys are Nature's chief way of taking waste and poisons out of the blood. If you don't take care of them, they will stop working and you will die. Don't wait. Ask your druggist for Doan's Backache Kidney Pills, used successfully by millions for over 50 years. They are the only pills that will help the 15 million of Americans who suffer from kidney trouble. Anna Kopecka, young Czech nurse who surrendered and told police she killed Kniesel, has been charged formally with "misleading authorities" in their investigation, German officials disclosed.

Two Japanese Die In \$100,000 Fire

SAN FRANCISCO, June 12.—(P)—A \$100,000 fire brought death to two Japanese, injured 11 firemen and destroyed the Japanese American News building here today.

Horses Run Away When Plane Nears

TILLAMOOK, June 12.—(P)—Old Dobbin doesn't mind automobiles any more but airplanes—they're another matter.
Morrison Miller team, frightened when an airplane circled overhead, provided Tillamook's first runaway in many years today. The horses stampeded through the business district. Bystanders caught them in time to save a row of plate glass windows, but not before one horse was badly cut, the wagon damaged, an automobile fender dented and a traffic sign knocked down.

Karsunky Guilty As Illegal Medic

YANCOUVER, Wash., June 12.—(P)—A superior court jury found Alexander Karsunky innocent of manslaughter but guilty of practicing medicine without a license yesterday, after deliberating 18 hours.
Karsunky was accused of causing the death of William Hahn, a diabetic, by prescribing treatment not including insulin.
A judge who heard the case without a jury convicted Karsunky on both counts a year ago, but the state supreme court reversed the decision and ordered a jury trial.

Salem Guardsmen Leaving for Camp

Salem national guardsmen will board special trains at the Southern Pacific passenger depot this morning to go to Camp Clatsop for the Oregon guard's annual field maneuvers. Company B, 162nd Infantry, will entrain at 8:05 a.m. and Headquarters battery, 249th Coast artillery, at 8:45.

Troops from eastern and southern Oregon boarded trains last night for the mass movement to the coast camp ground.
Advance details have already erected tents at Camps Clatsop and Murray and preparations for the 15-day training session are complete, guard officials announced.

7 Streets to Get WPA Improvement

Sections of seven city streets are being graded, drained, and surfaced with rock under a WPA project which started Saturday. Federal grants for the work amounted to \$18,930, and \$2,735 was added by the city. Work on the project will last about three months and will employ from 60 to 80 men, according to Fred Bates of the local WPA office.

Graybeal Credited With Saving Life

PENDLETON, Ore., June 12.—(P)—Jay Graybeal, University of Oregon football player, was credited by friends today with saving the life of a Squaw Creek CCC camp enrollee, who remained unidentified.
The friends said Graybeal pulled the youth from the Bingham Springs pool, 33 miles east of here, and revived him by artificial respiration after he had gone under twice.

11-Year Old Child Goes a-Thumbing To See Her Aunt

PORTLAND, June 12.—(P)—Tillie Lou Moore, 11, who disappeared under mysterious circumstances from a confectionery store at Banks, Ore., Sunday, was discovered at the home of her aunt, Mrs. E. G. Moloso, here tonight.
The girl and her father, Jack Moore, entered the store for milk shakes. When the father went to another part of the store the girl disappeared.

She told her aunt she had hitchhiked to Portland for a visit.

Muriel Campbell

In a quarrel over a 65-cent watermelon, Muriel Campbell, 18-year-old Chicago telephone operator, was slain by a quick-trigger private watchman.

The problem at camp this year will be to defend the Oregon coast. The annual guard review will take place on June 24.

W. C. Jones Says Nation Must Renew Belief in National Destiny

The individual today, if he will, can build just as vital a democracy for this country as prevailed in the 19th century, Professor William C. Jones of Willamette university declared in a studied and challenging address before the chamber of commerce yesterday noon. His address on "Our National Destiny," marked an end of the chamber luncheons until September 11.

Jones pointed to the era from 1820 to 1890 as the most exciting of previous times in this land, and pointed to development of the American spirit and the American personality in this life-span of years, characterized chiefly by the westward movement.

"In 1899, the frontier passed and since 1920, we have become conscious that things aren't the way they used to be. We have lost some of our independence, some of our spirit of ambition and democracy; caste lines seem to be a little more closely drawn and we have be-

25 Insurers Have \$150 Loss to Pay

Loss to be shared by 25 insurance companies on the recent county jail fire

The loss to be shared by 25 insurance companies on the recent county jail fire will amount to approximately \$150, the county clerk's office announced yesterday. The companies will bear the loss on a pro rata basis, with some contributing as little as \$1.

The 25 insurance policies protect the county up to a \$64,800 loss.

Ashurst Hints Federal Probe

Klamath County Circuit Judge Confers With Governor

In addition he asserted large horse race booking operations existed in his city.

"These operators are exploiting working people and many of their victims will eventually be thrown on the state for support," the judge declared. "Yet they have built no buildings, added nothing to the welfare of the community as do legitimate businesses."
Beer Dispensers' Strike Backfires
The strike of beer dispensers, organized late last week to hit back at the anti-gambling drive, is backfiring, Judge Ashurst said he had been advised.

a voluntary poll taken among the employees of one of the largest mills in Klamath Falls showed the men were 11 to 1 in favor of the abolition of gambling and a Main street merchant who took a street poll before I left found sentiment 6 to 3 in favor of what we have been doing."
Judge Ashurst asserted many restaurant operators were forced against their will to join the beer strike.
The Klamath judge was graduated from Willamette university college of law in 1923.

Motor MANNERS

RALPH WALDO EMERSON wrote: "Life is not so short but that there is always time for courtesy." There is more need for this age philosophy now, than when he wrote it before the motor car was invented. The automobile has made many of us into selfish bores. If drivers behaved as coincidentally when behind the wheel as they do in the drawing room, the death rate would soon be sliced to a fraction of its present proportions. Let's have more courtesy, better manners, more sportsmanship on the road.

Take That Chip off Your Shoulder

If you are one of the many to whom driving is no longer a pleasure, here is a hint that may be helpful. Next time you start out on a trip, take that chip off your shoulder! And take your sense of humor along. Promise yourself that you won't let little things disturb you, and see what happens. If someone attempts to steal your right of way, let him have it. Don't yell at him, but smile instead. Be indulgent, as you would be with the small boy who reaches for the largest piece of cake on the plate. A safe journey, and a surprisingly pleasant journey, will be your reward. Protect yourself and family with the Oregon Statesman Accident Insurance in case accident should come your way.
