She covered her poor face with shipped home. It's fortunate that I shipped home. It's fortunate that I she thought, she's stupid and her apron. Sobs tore themselves out of her huddled, misshapen little figure.

No one knew how to comfort her.

Shipped home. It's fortunate that I have a few dollars left to pay my mean and she's brought everything on herself, and I oughtn't to care—
I oneht to walk right.

No one knew how to comfort her. "It is Once Edward could have done it, in-law.

"I'm your mother!"

"Shucks, you wouldn't like it!"
"I would—I'd love it!" "Well, I don't know how it would Ada said . .

"Gosh, no," he said, "don't you know Pop never eats leftovers? How about some coffee?" work out, but I can write to Davis The pie was nearly gone by the time the coffee was ready, but that and Red. If they're still willing to right. Now you've got that off your didn't matter. They finished the pie take me in as a partner, do you supchest, suppose you stop?" to the last crumb, drained the cof- pose you could borrow a little from Charlie? You know-you could ask to me! I won't have it! And if you "Who says we're not happy?" Edhim next month, when you're down don't want Ada's name mentioned, I

Afterwards Marie wondered, resentfully, why their happiness I'm going with you instead. I'll help thing. Yes she did! No, I won't stop!

presently Edward said, "I know we lovers. owe you more than this. But we'll "Exc

said wearily. "Your father does all have to get out of your own house, hear—and you were always easy to too much for me. The insurance tell you something—Marie and I Poor Mr. Wilson looked sick. He man was here, and the man from are figuring on going up to Hum-said unhappily to Marie, who had

Edward patted her on the back going to send her back to her folks!" "That's what YOU say!" she cried told Edward he'd have to send you

which is the biggest of it. It's getting so I can't come in-sily be in the big money to the house without running into a fight!"

AMOUNT -- ST

the cooler. It was a strawberry pie, rich and luscious. "She might have meant it for tomorrow's dinner," the little deep creeks in which trout a mother's boy. Even those girls that kept ringing up-I never minded, because I knew that I'd brought you up right, and done everything I could for you. Why

"ALL right," Edward cried, "all "Eddie! You can't talk that way

can tell you that it isn't only Ada. "But I'm not going down there. Your Aunt Jennie said the same came! You know you haven't! Bee "Confound it, Marie, I think you changed too. If it wasn't for her, Bee would be here now. It was her making up to Ritchie and worrying It was unfortunate that Mrs. Wil- Bee, that made all the trouble. I son happened to come in at that mo- know! I know whose fault it was!

"You're talking about my wife."
"I don't care. You shouldn't have married her. How do I know you did "Excuse me," she said awkwardly, marry her? You hear all kinds of things about those Hollywood mar-"Oh, hold on, Mom! You don't riages. You can't believe what you waited, frozen, by Edward's side, "You musn't mind mama. She hasn't been herself since Bee went. It's

hard on a mother to lose a girl that She thought: If anyone else says "Oh!" Marie said. She took her |-"aren't yourself" I'll scream. But she was sorry for him. She put her "I'm sorry," Mrs. Wilson said, "I hand on his arm. "Never mind, Mr.

He turned away. fiercely. "And what do you know about it? You're never home. I am! Marie's teeth were chattering. The sight of her huddled, dowdy And how do you think I feel—the She was shaking from head to feet.

"It is, indeed," said her mother- with Edward, and wire mother col-

Once Edward could have done it, but not now.

Guilty, they tiptoed away.

Later E d w ar d said: "Marie, honey, why don't you plan to go to the beach with your mother, the way she wants? You know how hings are here, and really, I'd be sapper if I knew that you were. Things can't go on this way."

She thought of the comfortable sasids cottage that Julis and harlie would have. The quiet. The unny sand. The warm, gently rolling surf. She thought of the easy g, a car again, and Charlie's wellage and backs. Her mother curling ward said angrily, "and what's going on? Now what have you done?"

Nobody's done anything, Edward say something, but ne words a menth, to of wives leave their husbands to a menth, to of wives leave their husbands to a menth, to of wives leave their husbands to a menth, to of wives leave their husbands to a menth, to a wives leave their husbands to a menth, to of wives leave their husbands to a menth, to a wives leave their husbands to a wives leave th like a moron all the way through.

And look at me. I'm as bad. You married into a good-for-nothing family. I don't blame you for wanting to get out. I wouldn't blame you if you left me fiat."

"Didn't I say I would?"
