Coast Air Mail Service Speeded

Salem Patrons Are Given Three Fast Schedules to California

Under new summer air transport services linking all major Pacific coast cities, air mail patrons of Salem are given the choice of three fast schedules to California, according to a bulletin released yesterday by Postmaster H. R. Crawford.

Air mail reaching the local post office not later than 5:30 p. m., will be flown from Portland to California overnight, reaching cities as far south as San Diego in time for morning delivery. Air mail deposited at the postoffice by 5 a. m., will arrive in San Francisco at 1:49 p. m., and San Diego at 5:10 p. m. On third schedule, air mail delivered to the postoffice not later than 1:15 p. m., will reach San Francisco at 8:43 p. m., and Los Angeles at 10:55 p. m.

The postmaster pointed out that, in the case of the two daylight trips down the coast, special delivery can be used in conjunction with air mail postage to insure "same day" receipt of correspondence.

Governor Praises Golden Gate Fair

The world's fair at San Francisco is deserving of the support of every citizen of Oregon. Governor Sprague declared this in his return from there Wednesday.

"The Oregon exhibit is outstanding," Governor Sprague declared, "and is being viewed by thousands of persons from all parts of the United States." He said the wild life section of the exhibit particularly was of interest to easterners.

Governor Sprague praised the world's fair management for the manner in which they received Oregonians on "Oregon day."

The governor returned here by way of Klamath Falls and stayed at Bend Tuesday night.

Harrison Speaker For Rotary Meet

Notable careers inspired by examples of faith and tolerance were cited by Dr. J. C. Harrison, new pastor of the First Methodist church, in an address at the Salem Rotary club luncheon Wednesday.

"America's greatest need is faith and confidence in the individual and in society, with the elimination of fear and intolerance," Dr. Harrison said. He was formerly president of the Rotary club at Bellingham, Wash.

Mary Elizabeth Kells, daughter of Mr. and Mrs. C. A. Kells, sang several numbers with Ruth Bedford accompanist.

Costly Gas Buggy For Pen Officials Opposed by Snell

Purchase of a large, high-priced automobile for the state penitentiary was opposed vigorously by Secretary of State Earl Snell at a meeting of the state board of control Wednesday.

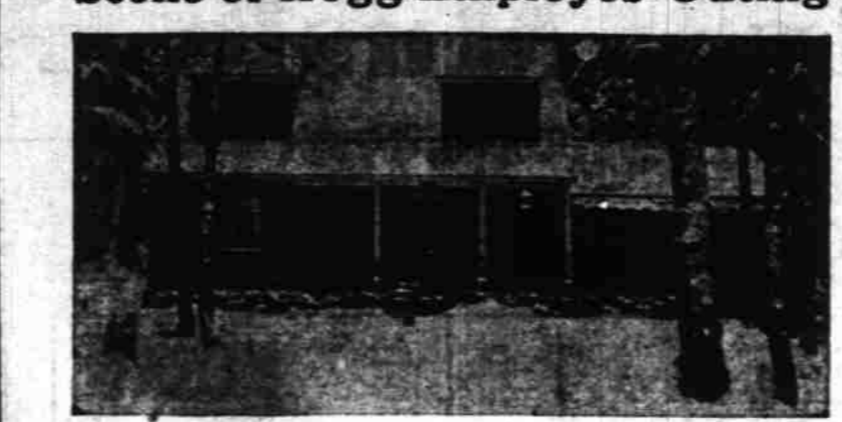

"Why the sudden change in the demand of prison officials from light to heavy cars?" Snell asked. "The institution apparently has gotten along with light automobiles in the past."

State Purchasing Agent Fry said he was advised that the penitentiary officials desired a car capable of carrying six or seven persons.

Snell also voted opposition to too many automatic electrical gadgets in the statehouse setup. "Instead of saving man-power, some of these gadgets have proved the reverse," Snell said.

"Learn-to-Swim"

Drive Draws 636

Leslie Pool Schedule Is Changed Due to big Class Attendance

"Learn-to-Swim" campaign classes yesterday totaled 636, approaching the 750 all-time high, set in the first year of their existence, 1934, and necessitated a shift in their schedule at the Leslie pool.

While the Olinger pool schedule will remain unchanged today, the Leslie schedule beginning today will be: Boys' elementary, 9 to 9:30 a. m.; boys' advanced beginners, 9:30 to 10 a. m.; girls' elementary, 10 to 10:30 a. m.; girls' advanced beginners, 10:30 to 11 a. m.; adult swimmers and beginners, 11 to 11:30 a. m.; boys' and girls' swimmers, 11:30 to 12 a. m.

A change at Olinger will probably be necessary beginning Friday. Playground Director Vern Gilmore said, and warned swimmers to watch for an announcement.

Girls' beginners classes topped attendance marks at both pools yesterday, the Olinger pool registering 138 and Leslie 125. Olinger totaled 392, nearly one hundred more than the first day, while Leslie's total of 244 was about on a par.

Polk Fairgrounds Project to Start

Grandstand and Buildings to Be Erected There in Major Program

A WPA project of major importance will be started today at the Polk county fairgrounds at Monmouth, where a grandstand, exhibit building and small stock building are to be built and improvements to the athletic field are to be made.

About 30 men will be transferred from other work to the fairgrounds project. WPA is putting up \$10,042 for the work, while Monmouth, the sponsor, has pledged \$3,161.

The grandstand will be 160 feet by 40 feet and will have a seating capacity of approximately 2000. Exhibit rooms will be constructed under the grandstand.

The new main exhibit building will be 60 feet by 163 feet, while the stock building is to be 64 feet by 30 feet. Lylo P. Bartholomew, Salem architect, has charge of the plans.

The work will not be completed in time for the county fair, as about three months will be required to complete it. WPA officials in Salem said yesterday.
