GAMES TONIGHT

Pade-Barrick vs. East Side Dairy
Waits vs. Blue Bell, Portland

With the Papermakers oozing out of the cellar for the first time since the summer softball league opened, at the expense of their next-door brethren, Kennedys, and with Schoen's Bakers dragging the Phaeasants down on an even keel with themselves, Waits today remained about the sole challenger to the championship drive of the Dealers.

This all occurred last night at Sweetland, as the Bakers took advantage of Phaeasant Pitcher Vern Gilmore's wildness and the loose fielding of his mates to blast the Brass Ducks, 9 to 3, and as 'Maker' Hurler "Mickey" Mickenham limited Kennedy's kids to three hits and set them down, 6 to 0.

No-Hitter for Six

Mickenham, the control specialist who administered the Dealers' their only defeat of the season, had a no-run, no-hit game for six innings, and was never in danger of being scored upon. But one man reached second base on him, as the boys behind—and particularly Third Baseman Nick Serdotz, gave him excellent support. Serdotz unquestionably turned in the slickest night's fielding session of the year, gobbling up eight difficult chances without the slightest miscue.

Big "Dutch" Schueller, with a bingle and an infield out, accounted for half the 'Maker' markers, while Bob Dunn found his batting eye for the first time this season, collecting two singles in four trips. The 'Makers' got but five hits, three of which came off starting pitcher Cleon Long in the first. Coupled with three boots, they scored three runs. Art Siebens, who took over beginning with the second, pitched two-hit, one-run ball.

Meyer spearheaded the shillalash attack on Gilmore in the night's opener, smashing a triple, single and home run in five trips, while Frankie Evans marked up a trio of bingles in four trips. The Bakers had the game put away at seven innings, having the necessary seven batters at that point, but Kenny Larson, who up until the last of the seventh mowed the flock down easily, was the victim of two hits and two costly errors that allowed one unearned run.

The Phaeasant flock scored two earned counters in the eighth, on singles by Melnie, Eustis and Erceel Kay. But it was their six Kays, and the seven passes issued by Gilmore, that spelled the lopsided defeat.

Salem Juniors Spank Dallas

District Game Called off at 15-0 in Sixth as Outcome Certain

It took but six innings for Salem's Junior Legion lads to make the Dallas Juniors holler "uncle" yesterday on Olinger, the district game being called in the sixth with the score 15 to 0.

Cy Williams and Don Barnick let the visitors down with two hits. Williams, taking the mound for the first time in his life, pitched the first two frames, allowing a scratch bingle and striking out two, while Barnick whiffed seven in four frames.

Two Hit for Circuit
Home runs by Austin Wilson and Hube Aspinwall featured a 13-hit attack laid down by Salem on two Dallas pitchers. Wilson collected a double and single to go with his four-ply swat, and Aspinwall added a brace of bingles to his. Only five of the 15 Salem tallies were earned, however, as 10 Dallas errors figured in the scoring.

It was the second time Dallas has been defeated by Salem in district play, and while the victory does little to enhance Salem's hopeless position in the championship campaign, it makes possible a .500 season should they be able to take Woodburn Sunday in their final district game.

Walker Cupper Is Sedative Victim

HOLLYWOOD, July 13.—(AP)—Franklin C. Stevens, Jr., 28, a member of the Walker cup golf team in 1939, was taken to a hospital today suffering from what was described as an overdose of a sedative.

Stevens, son of a socially prominent Beverly Hills ice cream manufacturer, was unconscious tonight. Physicians said he had an "even chance to pull through."

The sportsman's estranged wife Kitty O'Dare, an actress, said Stevens came to her apartment for a chat.

"He wasn't feeling well and he took a number of sleeping tablets belonging to my mother," she said.

"When I realized he had taken too many, I called police."

Miss O'Dare said Stevens frequently was a golfing partner of the Prince of Wales, now the Duke of Windsor, during trips to tournaments in Europe.

Stevens, married and divorced twice before, sloped to Yama Arts, with Miss O'Dare in 1935. They separated six months ago.

NEW YORK, July 13.—(AP)—William (Bucky) Walters, a good infielder who became a better pitcher, shut out the New York Giants on five hits today and with the help of his hard-hitting teammates gave the Cincinnati Reds a 7 to 0 victory that boosted their National league lead to 6½ games.

The lean young righthander allowed only two hits for eight innings and even "1" the ninth, when the Giants loaded the bases on three successive singles with one out, kept the situation under control by making Alex Kampouris and pinch hitter Ken O'Dea lay down grounders for easy outs.

Until the ninth it looked like the game would be decided on two home runs—one by Wally Berger in the second and another by Harry Craft in the fifth. It was Walters' 14th victory against six setbacks and also his 16th complete game, which is tops in the majors.

Byron Nelson Shoots Eight Birdies, Nineteen Pars in 27 Holes to Move Closer to Taking 2d Golfing Crown

By BILL BONI
NEW YORK, July 13.—(AP)—By playing 27 holes in nineteen pars and eight birdies, Byron Nelson, the reigning U. S. open champion from Reading, Pa., today came a big step closer to becoming the first golfer since Gene Sarazen to win the open and the PGA championships in the same year.

Nelson, one of the best iron players in the business, blasted blond Emerick Kocsis of Orion, Mich., out of the 22nd PGA tournament at the Pomonok Country club by the lopsided score of 10 and 9.

All in the same afternoon defending champion Paul Runyan came to the end of a nine-match winning streak, Henry Picard had to haul himself up by his boot straps to avoid losing to a little-known assistant pro and E. J. (Dutch) Harrison reached the semi-final round in his first PGA tourney. But it was Nelson who put on the demonstration of how put on sub-normally short golf course should be played.

The slim ex-Texas, who holds the 36-hole tournament record of 130 strokes, did half that well for the morning half of his quarter-final "match" with Kocsis. Lord Byron, with seven 3's on his card, shot a seven-under-par 65 into Kocsis' ruddy face and, since that left him 7 up, had to go only nine more holes to close out the match.

Even Nelson was willing to admit his morning's work was a "masterpiece."

In tomorrow's 36-hole semi-final, which he must win for a shot at the feat Sarazen performed in 1922, Nelson will go up against Harrison, the lean, lanky ex-Arkansan from Oak Park, Ill., who hasn't been very bashful either, in his man-handling of Pomonok's par.

Dutch, one of the country's most promising younger pros, won his semi-final spurs by turning back Horton Smith, his original sponsor, 4 and 3. In the upper half of the draw Dick Metz, of Lake Forest, Ill., no worse than even after the seventh hole in the morning, whipped Paul Runyan, 2 and 1, and Picard had to win the last two holes to top California-born Rod Munday, a Runyan's assistant, by the same score.

Silverton Pitcher Whiffs Ten Men as Portland Is Defeated

GAMES TONIGHT
Jack and Jill vs. Edwards, 7:30.
Hills Creek vs. Milwaukie, 8:45.

SILVERTON, July 13.—An all-time record crowd of at least 3000 witnessed the home town hero Roy Helser, pitch the Silverton Red Sox to their third straight win in the Oregon semi-professional baseball tournament here Thursday night, with his lusty, extra-base hitting mates getting behind him to sink the Portland Babes, 5 to 2.

Helser whiffed ten and gave but four bingles, three of which gave the Babes their two tallies in the sixth stanza, while the Red Sox swung on Babe Hurlers Fente and Smith to put the game away as early as the fifth.

Shortstop Johnny Pesky poled a bingle to score Second Baseman Don Kirsch, who had tripled, in the first, and in the third Pesky romped home himself on singles by "Babe" Schwab and Bob Bonney, after binking himself.

Erault, and singles by Helser and Kirsch, scored three for the Sox in the fourth, which proved to be plenty, with Helser strong-arming the Portland youngsters into submission.

It was singles by Ray Koch, Bill Hummel and Chuck Clifford, plus a passed ball, that tallied the two for the Babes.

SILVERTON, July 13.—Verboort couldn't cope with the lanky hitting of Delmer Putnam, St. Paul outfielder, in a state semi-pro tourney game here tonight so St. Paul won 11 to 4 despite committing seven errors. The defeat eliminated Verboort, which previously lost to the Portland Babes 15 to 4.

Putnam's triple in the first frame aided in scoring three runs, his double in the third helped to bring in four more and another double in the fifth, paired with a two-bagger by S. Fleske, accounted for two more. Two St. Paul runs in the sixth came on two singles and two errors.

Verboort scored all its runs in the first four innings, two in the first on Clotte's double and two boots afield, one in the second on a walk, a single and an error and one in the fourth on C. Kemper's triple.
