AMITY—The Snodgrass building on Trade street which was sold recently to a Portland firm, has been torn down and several trees are being taken out and the ground cleared this week for the erection of the cold storage lockers, theatre and store building on this site. Work on the new building will start next week and it is planned to have it completed by the first part of September.

The farmers' cooperative warehouse company is building an addition to its plant and plans to have it ready in time for this year's crop. The Southern Pacific company is putting in a switch for their use.

Both warehouses here have put on night crews to take care of the pea and hairy vetch crops, which have already been harvested and threshed in this locality.

Mr. and Mrs. Veri Cochran left this week for a trip to Detroit where they will buy a new car to drive back to Oregon. They expect to stop at Salt Lake City, Yellowstone national park and many other points of interest. Mr. Cochran is assistant cashier in the Bank of Amity. ## Cousins Find Each Other By News Item

AUMSVILLE—T. C. Mountain was pleasantly surprised last Sunday afternoon as a result of Aumsville news appearing in the Oregon Statesman. Mr. and Mrs. Alex Bishop of Pratum, formerly of Iowa, noticed Mr. Mountain's name in a Statesman news item. Mr. Bishop's mother's name was Mountain, so he decided to investigate. After locating the Mountain home at Aumsville the two men discovered that Mr. Bishop's "Uncle Fletcher" was Mr. Mountain's father, and Mr. Mountain's "Aunt Sarah" was Mr. Bishop's mother, establishing the fact that the two men are cousins, although they had never seen each other. Mr. Bishop spent his early life in Iowa and Mr. Mountain lived in Kansas.

The cousins' families have lived within a few minutes' drive of each other for the past three years without knowing they were related.

Bear Creek Wins 2 Games of Softball; Hiking Trips Scheduled

By JIMMY COLE  
SILVER CREEK RECREATIONAL AREA—Softball tournament got under way when Bear Creek nosed out a 14 to 11 victory over Hillside in a lively game Tuesday night. Pete Hauser starred as first baseman and long range batter, knocking out three homers. The Bear Creekers then brought out their B team and defeated the Trickle Falls B squad 10 to 8.

At campfire, a puffing ping pong ball blowing contest saw the Bear Creek first team take the Hillside first team 2 to 0. Trickle Falls first team went to defeat at the puffs of Hillside seconds, by a 3 to 2 count. The Hillside third team barely picked up three points to trim the Bear Creek third team who only managed two scores. Bear Creek second team, however, defeated Hillside second team, 3 to 1.

Hikers started out early Wednesday morning, when Rex Wirt and his gang of four stalwarts left camp at 2:30 a. m. for the 20-mile hike to House mountain. Those in the squad were Ronny Jones, Wallace Adams, Vincent Jorgenson and Bill Poorman.

Other hikers under the direction of Bill Shinn and Frank Page left at 10 a. m. on a high speed hike to House mountain and ranger station, expecting to make the 24-mile trip in less than ten hours. From these boys' past records, we expect them to give their group of picked men an extra good workout.
