

WVI Schedule, Jamboree Set

Football Show Next Week to Follow Pattern of Last Year's

Adoption of plans for the fourth annual football jamboree, on Sweetland next Friday night, and revision of the season's schedule, were the principal items of business conducted by Willamette Valley Interscholastic League heads here last night.

The jamboree, copied frequently throughout the state since adopted in 1936 by the WVI circuit, will follow the identical lines as did that of last year. The teams on the east side of the Willamette river will meet the west side teams in four successive four-minute quarters, with the accumulative score to depict the winner. As last year, but three teams are on the west side, so Chemawa will be a "westerner" for the jamboree.

West Linn's hand was nominated to this year lead the teams on the field. A cup will be awarded the best cheering section and a football given the team scoring the most points.

Grallapp League President Principal M. E. Grallapp, of Woodburn, was elected president of the league, and Mr. Bryant, Lebanon, named secretary-treasurer to replace Preston Doughton, who resigned at Lebanon to become principal of Parrish junior high at Salem.

The league voted for an early December meeting and set Dec. 9 as the date of the league basketball jamboree.

The league football schedule may possibly undergo a change in regard to games scheduled after the new Thanksgiving day, Nov. 23, depending on the state athletic association's ruling on after-Thanksgiving games.

The Schedule
Sept. 28—Lebanon at Chemawa, Silverton at Salem.

Sept. 29—League jamboree, at Salem.

Oct. 6—Corvallis at Lebanon, Independence at Woodburn, West Linn at Molalla, Silverton at Dallas.

Oct. 12—Molalla at Lebanon, West Linn at Sandy, Dallas at Chemawa, Woodburn at Silverton, Independence open.

German Maps Hint Future of 'New Europe'

Maps such as this (above), have been distributed in Rumania and show a "partition" of Poland in the manner indicated. While they were not regarded as official, the fact they came from Germany tends to lend significance. Should Poland be split, as indicated, "New Europe" would have the above appearance, with a Polish buffer state between Russia and Germany. Germany's previous acquisitions are shown in the shaded area of "Greater Germany."

West Linn at Dallas, Silverton at Molalla.

Oct. 27—Lebanon at Independence, Dallas at Molalla, West Linn at Silverton, Chemawa and Woodburn open.

Nov. 3—Albany at Lebanon, Chemawa at Tillamook, Woodburn at West Linn, Hood River at Silverton, Molalla at Independence.

Nov. 10—West Linn at Oregon City.

WASHINGTON, Sept. 21—(AP)—A 6-run rally in the 8th inning today gave the Cleveland Indians a 6 to 3 victory over Washington.

Weatherly, Cleveland outfielder, was knocked unconscious in the seventh on one of the strangest plays here this year.

With one on base, Charlie Gelbert hit out to drive to left field. Weatherly raced to the foul line, got his hands on the ball and tripped.

As he did so the ball bounced from his hands into a left field box for a home run and the outfielder smashed against the field railing, knocking himself unconscious.

Courage to Face Music Held Need

Frank Bennett Says Ability to Face Problems Is Vital Today

"Good timber" must be developed in American youth and manhood more than ever before to cope with the present day national and world political and economic problems, Frank E. Bennett, Salem city school superintendent, told the Salem Lions club yesterday noon.

By good timber, he said, he meant the kind of outlook and courage that enables a man to face and to do his best to solve his own problems and to "see the other side as well as his own."

Superintendent Bennett resorted to football for illustration of his theme, reciting his own experience as a youthful player.

He found, he said, that as a tackler he had to make the tackles himself in facing opponents if he were to progress.

"I believe that in trouble times like these if we solve new problems brought on by progress, it means more progress," Bennett concluded. "If we fail to solve them, it means the end."

Swarts Service Is Set Saturday

Funeral services for Ralph Swarts, Salem business man who died Thursday night, will be held at 2 p. m. Saturday from the Walker and Howell funeral home. Interment will be in City View cemetery.

Surviving are the widow, Nellie; a foster son, Marc Renne; brother, Simon Swarts of Salem; sisters, Mrs. L. C. Goodrich of Portland, Mrs. Grace O'Neil of Salem and Mrs. John Payne of Fresno, Cal.

Bearcats Feel 100-Plus Heat

One Scrimmage Daily Is Keene Order for Tilt Saturday Night

(Editor's note: The following is from Bruce Williams, with the Bearcats at San Diego).

MARINE BASE, San Diego, Sept. 20.—(Special)—Torrid temperatures continued here as the Willamette university Bearcats conducted a stiff scrimmage session Wednesday afternoon in preparation for their opening encounter of the season Saturday night against the San Diego Marines.

For the third day the temperature rose over the 100 degree mark. The sharp difference in weather as compared to Oregon has been the cause of over a dozen treatments for sore throats to

members of the Bearcat squad. Johnny Kolb, veteran end, is still suffering from a badly twisted knee, and it is doubtful whether he will be able to play before the University of Portland tilt next month. Due to extreme heat, Coach Spec Keene has resorted to a single practice session daily, discarding the usual morning practice.

Attracts Big Crowd
The game Saturday night is to be one of the best attended in San Diego football history according to officials. The contest is a benefit to pay for the newly acquired lighting system at the San Diego municipal stadium. Spec Keene has been kept busy with luncheon dates and radio broadcasts until he is as fatigued as the players.

Local observers were particularly impressed with the punting strength of the Bearcats. Practicing at Lane field, the home of the San Diego Padres of the Pacific Coast baseball league, Bunny Bennett, Al Walden and Gene Stewart were consistently booting the ball out over the 60-yard mark.

Call for CCCs Goes Begging; War Fear Noted

Marion county's anticipated quota of 40 enrollees for the fall civilian conservation corps period may go begging, lack of applicants for enrollment indicates.

M. E. Holcomb, county public welfare administrator, said yesterday he had received but one CCC enrollment application since his announcement last week that his office was ready to interview would-be enrollees.

Apprehension over the United States' becoming involved in war is believed in welfare quarters to be in part responsible for the dearth of applicants despite the fact CCC enrollees are no more subject to being called into the service than are other citizens.

University Signup Nears 1937 Total

Enrollment at Willamette university was believed yesterday to have equalled the 1937 mark but not to have touched the peak of 1938, Dr. F. M. Erickson, dean of the university, reported. The 1938 enrollment included an unusually heavy registration of freshmen.

Willamette's enrollment experience this year is similar to that of other higher education institutions, the dean said.

Recob and Jones Returned to Jail

Frank P. Recob and William T. Jones, who were brought here Thursday from Clackamas county on a larceny of poultry charge, were granted 48 hours in which to consult their attorney when they appeared in justice court yesterday morning.

They were returned to the county jail when they failed to post bail of \$1000 each.

Sees US Peril

If the US goes on an "emotional spree," constitutional government will disappear from America within 90 days, San Francisco Attorney John Francis Neylan warned a Treasure Island gathering of Daughters of American Revolution members recently. The meeting was a commemorative gathering devoted to the constitution by the organization. Neylan warned it will be "a hundred years before free institutions are re-established in the US if we are drawn into Europe's war." (IIN photo.)
