# The Spanish verve of this bolero-frock will take any young lady's fancy. Jaunty and cocksure for any occasion is Anne Adams' Pattern 4191. You'll love those wide, round revers of the trim bolero-striking in con-trast color to match the soft,

crushed sash. The pretty dress is princess-style, which means it's graceful and speedy to stitch up. Deft gathers at either side soften the bustline nicely, and the spirited scalloped opening would look gay with novelty or flower buttons. Make a high, round neck or a lower square, and you might add ric-rac or ruffling. A shepherd-checked fabric would be effective. Pattern 4192 is available in
