Ninth Army Area Gaining 1034 Men

Expansion of the United States army authorized in executive order of September 8, providing for the increase of the enlisted strength of the regular army by voluntary enlistment to 227,000 men, has resulted in the allotment of 1,034 additional men to be obtained in the eight states comprising the Ninth corps area, according to Lieutenant General Albert J. Bowley at the Presidio of San Francisco. The increased quotas of enlisted men to be obtained in this area are for assignment as follows:

Fort Lewis, Wash., 79; Fort Lawton, Wash., 10; Fort Winfield Scott, Calif., 613; Presidio of San Francisco, 2; Fort MacArthur, Calif., 202; Vancouver Barracks, Wash., 122; Portland, 6.

The result of the expansion itemized above is to increase the authorized enlisted strength of the Ninth corps area from 23,566 to 24,600. Later increments to the authorized enlisted strength of the area are expected to bring the number of enlisted men to 33,432 by June 30, 1940.

Marketing Bureau Conference Topic

Creation of a permanent bureau of marketing within the state board of higher education will be discussed at a general marketing education conference here today. The conference was called by Chancellor Hunter of the higher educational institutions. Dea Morris of the business administration division of the University of Oregon will take an active part in the conference.

Establishment of the bureau of marketing was recommended in a report of W. J. Kerr, who conducted an exhaustive study of marketing as chancellor of the Oregon higher educational system.

Governor Charles A. Sprague indicated that he would have an important part in the conference.

The Fun Begins an Hour From Now

THROW down your newspaper, turn off your radio—get your family and grab your hat!

Down on the streets right now is the bright and beaming face of a 1940 Nash. And just looking at it will make you feel good all over!

One sweet sweep of glittering line, it looks gay as a Mardi Gras—and twice as exciting.

But don't waste time staring. You belong in the driver's seat. For that's where the fun begins.

Before you start, turn on the Weather Eye to the comfort you want. (It offers new conditioned air wonders this year.)

Just a nudge of your toe, and in one split-second you'll get a good idea of what a hundred-odd stampeding horses can do. Three finger flicks—and the gears are shifted. Then—a lift, a rush, a click—and a new Fourth Speed Forward lends soft wings to your ride.

Don't worry about that Sunday driver ahead. There's something new in the throttle—the Nash Automatic Overtake. Just press your toe—and leave him dawdling in your dust, wondering where you came from—or where you went.

Then head for a backwoods road where the others dare not follow... and feel what happens.

Ruts and bumps rush up to meet your spinning wheels, but—they never seem to reach you. Your hands stay idle on the wheel.

It's riding magic, pure and simple. A ride so smooth, so level, so silent that you might be in your easy chair at home, or sleeping in the Nash convertible bed.

It's the new Arrow-Flight Ride... result of an entirely new spring combination... and we dare you to say you've ever experienced anything like it, or known steering that was so sure and effortless.

With singing heart, you give the throttle another nudge.

From where you're sitting, the world looks like one straight, unending ribbon of road ahead... in a land of perpetual spring.

It is—and always will be, in your Nash... long after other cars are parked for good.

We're asking you, with nothing but your own preferences, experiences, and instincts, to get behind the wheel of a 1940 Nash. For ten glorious minutes—that's all.

Then decide if any other car today... of any power, weight, or wheelbase... can give you as much downright fun as this new, lower-priced Nash!

Get your hands on it now—for you'll regret every minute you don't own one! Your Nash dealer is waiting. Come on—it's getting late—let's go!

Again...it's that new NASH

NEW LOWER PRICES This 1940 Deluxe Nash LaFayette Sedan costs only \$975.00, delivered at factory, standard equipment and Federal taxes included. Steering-Past Gearshift, the new Hi-Test Glass, Sealed Beam Headlights, and Grade Cloth Upholstery are standard on all models. The Weather Eye conditioned air system, Fourth Speed Forward, White Sidewall Tires and Rear Wheel-shields are optional extras. 1800 dealers offer nation-wide service.
