FRIENDEY It's batting power vs. pitching skill when Joe DiMaggio and "Bucky" Walters meet face to face in the World Series. But they agree on smoking - they're both Camel fans!

LEADING BOTH LEAGUES in hitting the great Joe DiMaggio. Can "Bucky" Walters stop him? Joe's a tough customer any time...an old hand at this World Series business...been in three World Series...batting for an average of 301. And Joe's a stone wall on the defense. Whether Joe or "Bucky" comes out on top, a Camel fan wins either way. "I'm often asked about my favorite cigarette brand," Joe says. "Well, it's Camels. Camels are longburning. They give me the economy of extra smoking per pack-a real saving if you're a steady smoker like I am-they're milder, with a hearty flavor. Td walk a mile for a Camel!"

of the National League . . . a hitter likely at any time to win his own ball game in the batter's box ... It will be one of the big moments in the history of baseball when Walters and the Cincinnati Reds meet Joe DiMaggio and his New York Yankee team-mates. "Bucky" calls himself a "dyed-in-thewool Camel fan." He says: "I've never found any other brand-at any pricethat gives me anything like the downright smoking enjoyment that I get from Camels. Boy, do they taste good after a long, hard game! Camels burn longer, and that means a nice bonus of extra smokes in every pack."
