Marion Woman Has Fractured Hip Bone

MARION—Mrs. V. M. Phillips is a patient at the Deaconess hospital in Salem where she is recovering from a fractured hip bone received in a fall at her home. Her condition was reported unchanged at the hospital Saturday.

Mrs. Elzy Pickard left Friday for Portland where she is visiting her daughter, Mrs. William Cline, and other relatives.

She thought it was another woman....

But no, it was just "another" good meal at the Imperial or Roosevelt. So don't worry when hubby comes home with that contented well-fed air. Our Chef has been tempting him again with a thick, piping-hot steak or a juicy well-browned chop. You, too, will enjoy an adventure in good eating at one of these fine hotels. Stay at the Imperial or Roosevelt in Portland—just a block or two from the center of things—shops, stores, banks, theatres.

Inexpensive House Is Trim

Minimum Shelter, Future Additions Provided for in Design

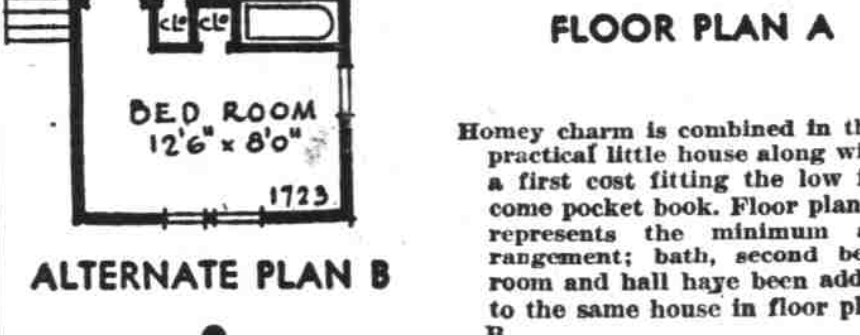

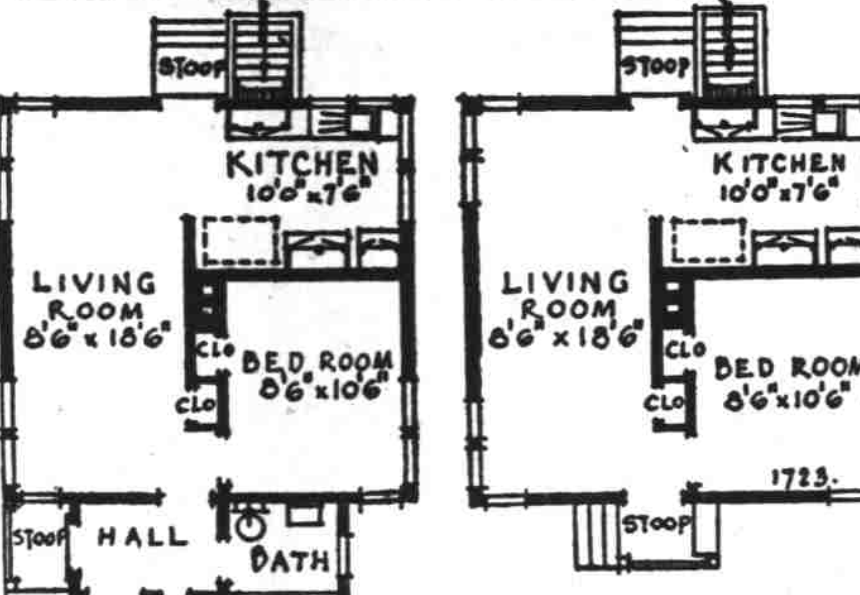

The "Home-land program" of the western building industry is now under full sail, according to Western Homes foundation. Demand for more of the lowest-cost home designs developed in the program last summer has been so strong that a new series of eight homes which families in the \$500 to \$1200 per year income group can afford to build has been launched. Second of this series is the "Fircot" design, selected from National Plan service's "Practical Farm Building."

The Fircot design was created by agricultural engineers to meet the needs of farm families having to build minimum shelter at minimum first cost, and desiring to provide for later additions and improvements. Floor plan A is not only an economy-plus design but has features of homey charm and livability.
