"Sure I'll eat soup when SNOW FLAKES are around"

There's a satisfying "edge" given to appetites when SNOW FLAKES are a part of the meal. They're fresher, flakier, and daintier than ordinary crackers. They make other foods taste better.

The moment you open the carton and break a SNOW FLAKE cracker, you can see for yourself why they out-sell all other crackers in the West.

UNMATCHED QUALITY—Skilled N. B. C. bakers use only the choicest ingredients. They know how to get flakiness, even texture and tenderness in SNOW FLAKES.

ALWAYS FRESH—Speedy National Biscuit Company delivery service brings the familiar red triple-wrapped cartons with that delightful oven aroma intact.

Three convenient-sized packages to suit every purse.

SUGGESTION OF THE WEEK
Use crumbled SNOW FLAKE Crackers, dotted with butter, as a tasty delicious topping for casserole dishes.
