Monmouth Grain Warehouse Robbed

MONMOUTH — The Monmouth grain warehouse was robbed Friday night of \$12.95 taken from the desk till. Presumably someone entered a window that was without glass panes in the east side of the building.

Employees had been accustomed to leave considerable sums of money there overnight, sometimes as much as \$200 in the till drawer. Fortunately, Friday, they had banked during the day or a much greater loss would have occurred. Fred Cody opened the warehouse Saturday morning and discovered the loss.

City Marshal Lowell Brisbane said he reprimanded warehouse authorities for negligence about protection from robbery.

There's a Good Reason You're Constipated!

When there's something wrong with you, the first rule is: get the cause. If you are constipated, don't endure it first and cure it afterward. Find out what's giving you the trouble.

Chances are it's simple if you eat the super-refined foods most people eat: meat, white bread, potatoes. It's likely you don't get enough "bulk." And "bulk" doesn't mean a lot of food. It's a kind of food that isn't consumed in the body, but leaves a soft "bulky" mass in the intestines and helps a bowel movement.

If this is your trouble, you should eat a natural "bulk" producing food—such as one as the crunchy, toasted, ready-to-eat cereal—Kellogg's All-Bran. All-Bran is the source of prevention. That's worth a pound of emergency relief. Eat it every day, drink plenty of water, and "Join the Regulars." All-Bran is made by Kellogg's in Battle Creek.
