# Strength Appears in Selected Stocks

## List Lacks Rising Vigor

### Market Skids After Early Advance; Market Lacks Definite Trend

NEW YORK, Nov. 20—(AP)—Quiet strength appeared in selected stock market issues today, but the list as a whole apparently lacked sustained rising vigor.

Led by steels, prices moved up fractions to more than a point in the first hour, only to run into profit taking and skid around midday. Top marks were reduced or erased as the session drew to a close.

Dealings, fairly lively on the forenoon upturn, slowed to a crawl in the afternoon. Transfers amounted to 744,570 shares against 770,840 last Friday. The Associated Press average of 60 stocks ended with a net advance of .1 of a point at 52.2. The absence of a definite trend was indicated by the fact that of 778 issuees changing hands, 316 were up, 267 down and 195 unchanged.

**Dividends Affect**

Generous year-end dividends, cheerful earnings statements and other business and industrial developments aided shares here and there but had little or any effect on others. Many traders again elected to stand aside because the market, thus far, has shown a decided reluctance to catch up with the economic parade.

U.S. Steel finished unchanged and Bethlehem off ⅝. Chrysler fell a point and General Motors ¼.

Stocks up 1 to around 3 included Masonite Corp., Philip Morris, American Tobacco "B" and Du Pont.

Modest improvement was posted for American Telephone, Southern Railway Common and Preferred, Omnibus Corp., U.S. Rubber, Cluett Peabody, Safeway Stores, American Airlines, Anaconda and Westinghouse.

Among the losers were Western Union, Douglas Aircraft, Montgomery Ward, Allied Chemical and J. I. Case.

## Turkey Trade Retains Firm Tone in Portland

PORTLAND, Nov. 20—(AP)—Turkey receipts on the Portland market were light Sunday and trade retained a generally firm undertone. Except for last-minute shipments to Grays Harbor and Puget Sound, business is completed.

Local buyers are paying 21 to 22 cents a pound for hens and 16 to 16½ cents for toms and reselling at 23 to 24 cents for hens and 17 to 18 cents for toms

## Trial Date Changed

SILVERTON — The trial of Verle Warthen, charged with larceny, has been moved from November 17 to November 21 upon request of the district attorney. The case will be heard in Alf O. Nelson's Justice of Peace court.

## Anniversary Honored

MACLEAY — Mr. and Mrs. Clarence Johnson were very greatly surprised Wednesday night when Macleay grange in body called on them to help them celebrate their 25th wedding anniversary.

## Advance in Wheat Market Continues

### Early Gains Lift December Contracts Near Best Since 1937

CHICAGO, Nov. 20—(AP)—Although buying was not on a large scale, the wheat market's advance was continued today with early gains of ⅝ to⅞ cents that lifted December contracts to 89, within ¼ of their best level since the end of 1937.

Later, however, buying dried up and adjustment of accounts and some profit taking led to a reaction that wiped out most of the gains, wheat closing unchanged to ⅝ higher compared with Saturday, December 88⅝-⅞, May 85⅞-86.

Early purchasing was associated with moderate strength in securities, failure of rains to reach driest sections of the hard winter wheat belt and the tightening domestic supply situation, due in part to the loan program and the holding policy of many owners of cash grain. This policy, traders said, apparently is based on the poor 1940 crop outlook and the war situation although the uncertainty of both factors makes buyers cautious. New buying from commercial interests, particularly from speculators is small.

## Wallace Road Club Elects Officers
