

Mt. Angel Schools Join in Fall Prom

"Blue Orchids" Theme to Be Used for Annual Dance Tonight

MT. ANGEL—A theme in blue and silver and inspired by the current song hit "Blue Orchids,"

will provide a brilliant setting for Mt. Angel normal and Mt. Angel college students' joint fall prom Friday night.

The decoration committee headed by Gale Storm, St. Helena, and Don Anderson, Silverton, has transformed St. Mary's auditorium by generously employing cellophane, stars, glass balls, and silver stemmed orchids.

Bill Fisher's orchestra will play, according to the orchestra committee, Doris Collins and Jack O'Halloran, both of Portland. Fisher has traveled in California

during the summer and brought back two talented musicians. Programs in a modernistic design were planned by Lavon MacDougall of Los Angeles and Frank Phillips, Portland.

Patrons and patronesses will be Mr. and Mrs. Fred Baker, Silverton; Dr. and Mrs. Leo Meisenberg; Dr. and Mrs. Clarence Smith, Mr. and Mrs. M. T. Collins, all of Portland; Mr. and Mrs. Joseph Berchtold, and Mr. and Mrs. John T. Bauman of Mt. Angel.

General chairman for the prom

are Doris Collins, Portland, vice-president of the normal and college student body, and Joseph Thomas, Salem, president of the College Men's club.

Born at Silverton

SILVERTON—Recent births at the Silverton hospital includes daughters to Mr. and Mrs. John Kuschnick, November 26, and Mr. and Mrs. M. Wolfe, November 26; and a son to Mr. and Mrs. Paul Bucholz, November 24.

Drilling Shafts Working at Scio

SCIO — Two drilling shafts daily are at work on the new city of Scio well at the Gilbert McDonald property in northwest Scio. Depth of approximately 120 feet has been reached with an insufficient supply of water so far encountered. The Strasser company of Portland, which also drilled the city's

No. 1 well on East Mill street, is in charge of the work. A flow of at least 200 gallons per minute is desired to supplement the supply from the first well.

It had been hoped by many Scioans that sufficient water would be found at about the 100 foot level, as several other wells in the area are producing a plentiful amount of water at that depth. The present well was 16 inches in diameter to a depth of 100 feet and is now being drilled 12 inches across. The shaft is being cased as the drilling proceeds.

Scio Juniors Will Give Class Play

SCIO — "Mama's Baby Boy," junior class play, will be presented early in January, according to Frieda James, commercial instructor, who is directing the production. Leading roles will be taken by Thelma Limbeck and Richard Phillips. Others in the cast in-

clude Don Ganser, Evelyn Kennedy, Wanda Wilson, Edwin James, Vilia White, Marjorie Dawson, Lila Lee Thayer, Veri Sims, La Vaughn Johnson.

Managing the production will be the following committees: promptress, Betty Rallsback; wardrobe, Vilia White, Lila Lee Thayer, Don Ganser; stage manager, Veri Sims; advertising, Vilia White, Veri Sims; sales managers, Betty Rallsback and Charlotte Logan.

at Wards \$2.00 HOLDS ANY BIKE till Christmas!
