

**Second Clinic Is Set at Mt. Angel**

MT. ANGEL — Because of the large number of children and adults that presented themselves for the tuberculin test at the county health clinic held here Tuesday, the physical examinations of the children could not be completed and will have to be continued next week. A second clinic will therefore

be held at St. Mary's school next Tuesday, December 6. Part of the fifth grade pupils and those of the sixth, seventh and eighth grades are still to be examined. In Tuesday's clinic Dr. Douglas administered 157 tuberculin tests by noon at the grade school after nearly a hundred had earlier received the tests at Mt. Angel college. A small number of tests were added in the afternoon and 54 physical examinations given. The seventh and eighth grade boys and girls were all given the basketball examinations.

**Christmas Seals Mailed This Week**

SILVERTON — Local folk are receiving their quota of Christmas seals in the mails this week, following out the plan that proved successful a year ago. The local committee, composed of Mrs. C. W. Keene, Mrs. Glenn Briedwell and Mrs. H. W. Preston, is urging everyone to use the seals on business letters as well as on personal letters.

Sure we know it, a certain individual remarked the other day that the reason we were offering profit-sharing coupons was just to get people to come to our store. That most certainly is one of the main reasons. We know there are any number of people who do not know the real convenience and savings these stores offer every day of the week. We also know the savings these coupons and our regular every-day low prices are going to be a deal of help to every one patronizing either of these three markets. You'll be surprised at the saving you can make. Try keeping track of your savings for a while. We won't need to mention it to you again—you'll no doubt will be telling others about it. Marion St., Court St., Kingwood—at your service.
