### Child Bride

Like Shakespeare's Juliet, Juanita Waldron of San Francisco was married at 14. Now 16, the girl is seeking an annulment of the marriage from Orson Waldron, 23-year-old metalworker. Reason: Juanita wants to go to high school. The marriage, her suit sets forth, was celebrated through evasion of the law, which requires superior court consent of a marriage where a child younger than 16 is concerned.

### Broadcast Series Will Start Today

#### Moral Rearmament Group Sponsor Weekend Radio Talks

A series of broadcasts starting today will carry the message of Moral Rearmament this weekend to listeners throughout the world who may number 100 million, according to information received Thursday by Salem adherents of the MRA movement.

The local members have been cooperating in the worldwide program for this weekend by making announcements through service clubs and other organizations, and a number of local merchants have included mention of the broadcasts in their advertisements.

Dr. Frank N. D. Buchman, founder of MRA, described the special weekend program as the "Prelude to 1940" and declared that "One hundred million people listening in an unparalleled experiment in giving a moral and spiritual answer at this time of world conflict. . . .

"For the nations at war we

must begin to articulate that plan that will ultimately bring a just and lasting peace."

The mayors or lord mayors of 250 British cities have joined in urging their people to listen to the weekend's broadcasts.

### Grocery to Open In New Location

#### Serve-Rite Firm Moved Across Street in Yew Park

Today and Saturday will mark the grand opening of the Serve-Rite Grocery in its new and enlarged location at 697 South 12th street.

Opened six years ago under the direction of Fred Peterson and Loyal Henderson, the Serve-Rite first was located at 705 South 12th, where it built a reputation as an outstanding community store serving the Yew Park district.

The new location, across the street from the former, will afford more than twice the floor space and more adequate fixture arrangements for prompt service. All equipment is new and especially designed for specific location in the store.

Associated with Peterson and Henderson will be Arlie Bean and Curt Emery in the grocery section, and B. E. Edwards in the meat department.

Arrangements have been completed to serve visitors with refreshments during the opening two days.

### Rogers to Take New Post Today

#### Arthur A. Rogers today will assume his new duties as state superintendent of banks.

Rogers was president of the Eugene First National bank and more recently was connected with the federal land bank at Spokane, Wash. He is a republican.

Rogers indicated there would be no immediate changes in the operating personnel of his department.
