5-Year 'Jinx' Is Wiped Out

Passes Finally Show USC Way to Victory Path in Grid Climax

NEW YORK, Dec. 2.—(AP)—Southern California's mighty Trojans had the closest call of a remarkable football season today as Deane McAdams, Washington halfback, nearly booted them off the undefeated list and perhaps out of the Rose Bowl.

The Trojans finally passed their way to a 9-7 victory over the Huskies in the last two minutes of a thrilling game and thus remained at the head of the Pacific coast conference rankings.

That game was the climax of football's final big day of the 1939 season, a day which saw Duquesne dropped from the ranks of the undefeated and untied teams when it was held to a 19-10 defeat by Detroit, and Stanford, Boston College, Tulane and Georgia Tech emerge triumphant in some of the other important games.

Tulane won a part interest in the southeastern conference title and virtually clinched a bid to the Sugar Bowl by defeating Louisiana State, 33-20, in a game that matched the Southern California-Washington battle for thrills and Georgia Tech earned an invitation to Miami's Orange Bowl by beating Georgia, 13-9. The Engineers accepted without hesitation. Both Tulane and Georgia Tech are unbeaten in their conference, but their previous performances had been somewhat after-shadowed by Tennessee.

In football's greatest spectacle, Navy redeemed a miserable season by whipping Army, 10-0, before 104,000 spectators at Philadelphia. Bob Leonard's field goal and Dick Shafer's touchdown brought the Midshipmen their first triumph in the service game since 1936.

Duquesne, after a 15-straight fumble had started Detroit off to a 10-0 first-quarter lead, came back to tie the count in the second period. Stanford's Indians, victorious in the Coast conference, conquered Dartmouth, 14-3, in the day's biggest intersectional game.

The Boston College Eagles, once beaten to their place among the east's best teams by conquering Holy Cross, 14-0, as a wet field hampered the speedy crusader backs and Fordham's Rams successfully finished the campaign that has a end start when they trounced their most important local rival, New York University, 18-7.

Washington University of St. Louis captured the Missouri Valley conference crown by whipping St. Vincent University, 21-17 in another city championship battle. Baylor's Bears earned at least a tie for second place in the Southwest conference when they downed Rice, 10-7 after a couple of bad scares, and Southern Methodist in the running for a half-interest in that spot with runs of 73 and 21 yards to beat Texas Christian, 14-7.

Colorado Mines, unbeaten and untied champion of the Rocky Mountain conference, wound up its campaign with a 38-6 victory over Regis.

Amity Baptists Will Have Sale

AMITY—The Baptist Mission Circle met at the home of Mrs. Katherine Henderson Friday afternoon with the president, Mrs. Harvey Robinson presiding. During the business meeting plans were completed for the food and apron sale to be given Saturday, December 9, by the women of the church.

Mr. and Mrs. John Gibbs and daughter, Helen, of Amity and Mr. Ransom Gibbs of Berkeley, Calif., were recent dinner guests at the home of Mr. and Mrs. Ernest Gibbs east of town. This was the first time the three brothers had been together in 25 years. Ernest Gibbs is slowly gaining strength since his recent accident. His tractor backed over him causing serious injury.

Bearcat Trio Selected on All-Conference Grid Team

OFFICIAL ALL-NORTHWEST CONFERENCE FOOTBALL FIRST TEAM SECOND TEAM

*Tied for position.
Honorable Mention: Ends, Hatchinson of CPS; tackles, Harshberger of Idaho, Buesko of CPS and Hamy of Whitman; guards, Starns of Idaho; centers, Harding of Pacific.

To End Bob Hinman and Guard Joe Holland, both of Willamette, went the distinction of being the only men given berths on the all-Northwest conference football team by unanimous vote. Halfback George McGilgan, third Bearcat to be elevated to the mythical selection made by Northwest conference coaches and officials at their recent meeting, was given 10 of 12 possible votes—next high to Hinman and Holland.

Willamette was the only club to place three men on the all-conference first team, the four other schools—College of Idaho, CPS, Whitman and Pacific—placing two each. In addition, three Bearcats, Guard Fred Baker, Center Bruce Williams and Halfback Bunny Bennett, were given the nod on the second all-northwest team.

Ironically, Linfield's Ted Hippi, boosted for little all-American honors, didn't place on the first all-conference team.

District Heads To Be Trained Party Unity Is Session Keynote

Census Supervisors to Be Chosen After School at Portland

WASHINGTON, Dec. 2.—(AP)—Oregon's six census district supervisors will be picked from candidates after a training course at Portland, census bureau officials announced today.

Area Manager Byron Carney will select candidates making the best showing. Districts will then be divided into enumeration districts, and 143,000 national enumerators will task most of the questions in the 1940 census. Except for those taking the business census in January, most of the enumerators will not be named until next spring.

Oregon districts and headquarters are:
District 1, Salem—Clatsop, Columbia, Tillamook, Washington, Yamhill, Polk, Marion and Clackamas counties.
District 2, Pendleton—Wheeler, Gilliam, Morrow, Umatilla, Union and Wallowa counties.
District 3, Portland—Multnomah county.
District 4, Eugene—Lincoln, Benton, Linn, Douglas, Coos, Curry, Josephine and Jackson counties.
District 5, Bend—Hood River, Sherman, Wasco, Jefferson, Crook, Deschutes, Lake and Klamath counties.
District 6, Baker—Grant, Baker, Harney and Malheur counties.

Kern Crandall of Portland, Oregon state chairman, said northwest republicans had been "tolerated long enough at the national convention" and urged party members of the region to "form a team and make our power felt."

H. C. Baldrige, former governor of Idaho, was named chairman of the resolutions committee; Collier, head of the rules committee, and Lowell Paget, Portland, organization committee chairman. Their committees include:
Rules—Tom Verdenius, Portland.
Resolutions—Homer Smith, Salem; Jack P. Grande, Roy; Rittner, Pendleton; Kern Crandall, Portland.

Dr. Ivan Lovell of the Willamette university history department will speak on problems of neutrality here and abroad in the fourth in the fall series of forums on public affairs to be held at the YMCA Tuesday at 8 p. m.

Dr. Lovell will analyze problems confronting America in connection with the European war, and will seek to describe alternative means of solving them. Following his address the question will be thrown open for general forum discussion by the audience. Wallace Sprague will be chairman for the meeting.

The forum series will be continued next week when Miss Hilary Newitt discusses the nature of fascist, national socialist and have changed under the stress of communist governments as they war.

Neutrality Topic For Next Forum Prospects Bright For Tieup's End

SAN FRANCISCO, Dec. 2.—(AP)—A proposal that a permanent committee keep tabs on waterfront developments and an official statement that progress was being made in settling the current dock tieup on San Francisco bay emerged from a scabbling labor-employer situation here today.

The optimistic view was held by Dr. Louis Bloch of the maritime labor board at the conclusion of a meeting with the ship clerks union negotiating committee.

Amity Students Judge Corn Best

CORVALLIS, Dec. 2.—(AP)—The three-man delegation from Amity won the Future Farmers of America corn judging contest at the annual state corn show at Oregon State college today. The trio included Edwin Heltonen, Robert Shields and Alvin Asher.

Roseburg was second, Oregon City third, Woodburn fourth and Eugene fifth.

High individuals in the corn-judging contest were Roy Doerner, Roseburg, first; Heltonen second; Lloyd Versterg, Dayton, third; Tom Callister, Woodburn, fourth.

Oregon Flora Is Matthews' Hobby

The "collecting bug" has bitten many people and Oliver V. Matthews, of Salem, is no exception. In his lecture before the Macleay community club Friday night, he told how his interest in trees, and especially those of Oregon, had led him to travel to all parts of the state in search of them.

He has collected an exceptional group of enlarged photographs of the largest trees of Oregon and also a group of rare species.

Jumble of muddy golden jerseys, the ball was knocked out of his right hand, all cocked for the pitch that never came. The ball went bounding back past the 30, then the 35, and Bill Montgomery, Navy end from Glendale, Calif., finally dropped on it on the 36.

That was Army's finish, but just to drive home the licking, Mayo on the last play of the game, pulled another Frawley pass out of the air and ran it back 25 yards to the Army 20.

Two Cities Report Sub-Freezing Cold

PORTLAND, Dec. 2.—(AP)—Sub-freezing weather was reported by only two cities, Baker and Burns today as moderate temperatures prevailed most of Oregon with spring-like weather.

Western valleys received rain. Cloudy, unsettled conditions extended east of the Cascade mountains.

Vessel Delivers Cement for Dam

PORTLAND, Ore., Dec. 2.—(AP)—The bulk carrier "Santaracruz" finished delivery of 300,000 barrels of cement for Grand Coulee dam here tonight.

In 11 trips, the 400-ton vessel carried the cement from Daverport, Calif., to the Portland terminal, where cement was loaded on railroad cars for its trip to Grand Coulee, 350 miles inland.

Connecticut Inventor Is of Opinion England's Hope Under Water

MILFORD, Conn., Dec. 2.—(AP)—Simon Lake, pioneer submarine inventor, asserted today that a fleet of merchant submarines would be England's best bet for conquering the menace of the German U-boat campaign.

Cargo-carrying submarines could easily slip by the Nazi raiders which have taken so heavy a toll of lives and shipping in the European war, said Lake.

The 74-year-old inventor maintained that nothing the British navy has done so far could effectively combat the undersea weapon, which his ingenuity helped to forge.

"The Germans almost starved out England in the World war," he said. "Admiral Sims said they were within two weeks of doing it when we entered. At the rate they're going with torpedoes and mines in this war, it looks very serious for England."

The submersible merchantmen, he envisions would be 5,000 or 7,500 tons capacity, powered by diesel or steam, capable of eight to 12 knots on the surface and slower speeds under water, and no more costly than an oil tanker.

The idea of cargo-carrying submarines is an old one to Lake. He is busily redrafting at his Milford laboratory plans originally drawn during the World war.

After the success of the Deutschland, German U-boat which made several trips with cargoes to America, he was asked by Germany to build merchant submarines to run the British blockade. He agreed, but abruptly terminated the project when America entered the war.

Lake said he wouldn't be surprised if Germany turned to undersea cargo-carriers in the present conflict.

"She remembers the success of the Deutschland," he said, "and the Germans are more quick to use a new idea than the British and we are."

Now with a new war raging, he is bringing his plans for cargo-
