## Judge Sets Up Trio of Cases

### County Commissioner Has Until Monday to Enter Plea

Roy Melson, county commissioner charged with driving while intoxicated, was given until Monday morning to enter a plea yesterday by Judge L. H. McMahan. Melson's case had previously been continued from last Tuesday.

The judge also continued the cases of State vs. Bailey, in which defendant is charged with non-support, and State vs. Mendenhall, which involves a larceny charge. In the former case the defendant was to make certain payments as a condition of the continuance.

Pending favorable action by the court on a motion to continue the case, hearing will start Monday in the matter of State ex rel Emmett T. Rogers as the Tax Reduction and Control bureau vs. the state unemployment compensation commission.

The defendant filed the motion to continue several days ago, stating as grounds that it had already asked the court to vacate a previous order giving Rogers the right to view certain documents and files in the possession of the county commissioner, and that could not properly prepare its case until it knew the opinion of the court in that matter.

**Circuit Court—**  
Harry Leland Loomis vs. Doris May Loomis; suit for divorce in which plaintiff alleges cruel and inhuman treatment and says he has no objection to the restoration of defendant's former name. Doris May Morley. They were married October 30, 1936.

Eva B. Thomas and others vs. John E. Morley and others; motions to strike.

Malinda J. Wade estate; Joseph Felton and Dorothy Winegar named appellants in place of F. S. Lampert and Helen Moffatt, who were unable to act.

Mary Hodges estate; report and order of re-sale filed by Helen Hodges Culp, executrix, after Pat and Albina McCaffery had offered \$2500 for real property originally sold to Ernest A. and Nora E. Doerfler for \$2000.

O. V. Meyers estate; final order granted.

Edward Lindeman estate; final order granted.

Bert Tingelstad estate; final order granted Martin T. Tingelstad, administrator.

William R. Pogue estate; final account shows receipts of \$2409, disbursements of \$1245.28, and distribution of \$1074 to the following heirs: Mary B. Riley, Shedd; Charles Gartman, Los Angeles; Frank Gartman and Hester T. Porter, Missoula, Mont.; Claude Gartman, Los Angeles and Henry H. Pogue, Portland. Final hearing set for January 5.

**Municipal Court—**  
Fred Schindler was fined \$25, given a 30-day suspended jail sentence and put on a year's probation on each of two charges of purchasing property from a minor.

James Sweet, vagrancy; ten days in jail.

Albert Cecil Baker, drunken driving; fined \$100, given 30-day suspended sentence, put on probation for one year and license revoked for one year.

**Bliven Chosen By Nominators**  
**Realty Board Will Elect 1940 Officers at Next Meeting**

Unless there are further nominations on election day, next Friday, William Bliven will be president of the Salem Realty board for the year 1940. The slate announced by the nominating committee at yesterday's luncheon also included W. G. Krueger for vice president; Mrs. Winnie Pettyjohn, incumbent, for secretary; William McGilchrist, jr., incumbent, for treasurer and J. F. Ulrich for a three-year term on the appraisal committee.

Friday's program included a continuation of Mrs. Pettyjohn's report on the national convention at Los Angeles, including discussion of the uniform schedule of commissions involving a minimum of \$50 for sale of property, which may be adopted by the board here. The present minimum is \$25.

Satisfactory solution of the problems connected with sale of city and county-owned property is imminent, said President C. V. Johnson, reporting upon conferences held by the executive board with city and county officials and with the men directly in charge of handling these properties.

**20-30 Club Opens Drive on Crime**

A drive to reduce juvenile crime was opened officially Friday night by the Salem 20-30 club, with plans to make the campaign state-wide and perhaps later nation-wide.

The club's drive will first try to remove temptation from juveniles by requesting all car owners to remove the keys from their cars when parked, basing this on the contention that 55 per cent of juvenile crime is in car theft and that this is facilitated by the many autoists who make it so easy to steal their cars, according to Sam Laughlin of the state training school for boys.

Radio time for the project, which is expected to be approved and supported by city and state police, later will be taken by the club, officers announce.

## Thieves Successful In Three Efforts

### Ice Plant, School, Beer Tavern Victims of Marauders

Frank Waters, owner and manager of the City Ice plant, 15th and Center streets, flushed a burglar in the ice plant and nearly had him on ice early yesterday morning but he got away.

Waters, coming to the plant shortly before 8 a. m., discovered a man prowling in the engine room, according to police report, and stood watching him pick up tools until the prowler noticed him.

When the marauder saw he was not alone he turned quickly, as if to run, but Waters shouted for him to "Stay where you are."

"Don't shoot," police reported the burglar as saying, "I have a wife and children."

Waters ordered the prowler to put down the tools, which included several crescent wrenches and screwdrivers. As soon as he dropped the tools he turned and ran, disappearing in the darkness outside the plant.

Footsteps were found leading to the creek in back of the plant and then back toward Center street. Waters said the prowler was about six feet tall.

## New Tax League Adopts By-Laws

Tentative approval of a constitution and bylaws for the Oregon Taxpayers' league was voted at a meeting of the committee representing ten county organizations, held in Salem at the chamber of commerce Friday. Final approval and permanent organization were reserved for the general meeting in Portland January 9, at which it is expected at least the 14 counties which have signed intention of affiliating.

Claude Buchanan of Benton county was chairman at the meeting here Friday and will be chairman of the Portland meeting. The organization was launched following a meeting in Salem several weeks ago at which a representative of the Nebraska Taxpayers' league was the speaker. Later a meeting was held at Corvallis.

Others present at Friday's meeting were Jerome J. Foley of Union county, A. L. Thomas of Polk, Ben Dorris of Lane, A. W. Tripp of Linn, M. S. Shrock of Clackamas, Peter Cover of Multnomah, Clarence Whitehead of Benton, E. A. Bradford and O. K. Dewitt of Marion, Gladys Cook, Josephine and Douglas county groups will affiliate but were not represented here.

Entrance was gained by jimmying a small door between a shoe shop next door and the beer parlor. The shoe shop had apparently been entered with a key, since the door was open and undisturbed when police investigated.

The Brown Derby is operated by S. J. Gentskow and Louis F. Faist.
