## Wisterians Ball Annual Event

Among the outstanding social events closing the old year was the colorful New Year's ball of the Wisteria club whose members were hosts to invited guests at a gala dancing party in Fraternal temple Saturday night.

Mr. and Mrs. John Bagley, jr., assisted by Mr. and Mrs. Ralph Beutler, Mr. and Mrs. Gail Jones, Mr. and Mrs. Paul Lee, Mr. and Mrs. W. W. McKinney, and Mr. and Mrs. Melvin Millett cleverly planned and arranged decorations to carry a remaining memory of Christmas and to hail the advent

of the new year. Christmas firs scented the hall. Long chains of hundreds of inflated balloons in varying colors were suspended over the heads of the dancers and in the subdued lighting presented a waving pattern of color. Their beauty was ended abruptly late in the evening by thunderous explosions which resulted as a joyful melee of dancers popped balloons for several minutes. Noise makers and streamers added to the merriment and spirit of entertainment as the concluding minutes marked another milestone in the ten successful years of the existence of the

The next regular meeting of the club will be January 10th.

### Chamber Music Is Requested

In order to bring forth the outstanding compositions of our talchapter of Phi Mu Alpha Sinfonia, men's national music honorary posium of northwest chamber music. All male composers residing in Washington, Oregon, and Idaho, and the non-resident students of the educational institutions of those three states are invited to participate. The most outstanding the University of Oregon and is compositions submitted will be affiliated with Phi Delta Theta. is being arranged. The symposium 'erson. will be held early in the spring of 1940; the exact date is to be Valentine Dance announced later.

All manuscripts should be sent. Scheduled man, president of Sigma chapter, music building; University of sembles, vocal or instrumental, at Hazel Green.

All manuscripts will be reance of the same remain the prop- cisco. While they are there they Stewart, than February 1.
