## New Candidates To Be Admitted

### Knights of Columbus Will Exemplify Degrees for Large Class

SUBLIMITY—With a large class of new candidates and numerous readmissions, the Knights of Columbus of St. Anthony council No. 2489 of the Sublimity-Stayton locality will have the second exemplification of the degrees of the order at the Stayton Catholic Foresters hall on Sunday.

In early July, the council received national publicity by being the first subordinate organization of the order to surpass their quota for the fiscal year in the entire United States and Canada. With the coming increase of next Sunday, it will have increased membership over 60 and will be well on its way for the County club, which has not been attained for years in Oregon by any council.

The program of the day commences with all members of the order and the candidates to receive holy communion at the 8 o'clock mass at the Stayton church, which will be followed by breakfast being served by the Stayton ladies in the CYO club rooms. The degree work proper will start at 12:30, at the Foresters hall in Stayton, and will continue throughout the afternoon. The first two degrees of the order will be in charge of the local council, and the major degree under the direction of District Deputy C. A. Suing of Salem, and State Deputy Edward J. Bell, of the local council. At 6:30 the ladies of the Stayton parish will serve a large turkey banquet to the candidates, visitors and public. It is expected that about 150 will attend this banquet. Proceeds will be used for local parish work.

To Have Banquet  
Rev. Father Coughlan of Bend, prominently known in the Baker diocese, will be toastmaster at the banquet and outside visiting speakers have been secured, which together with the program of music, songs, and other entertainment will round out the day for the candidates, the "baby" council of the Knights of Columbus of Oregon.

The committee in charge of the day are: banquet, Gus Minden, chairman; Anton Van Handel, Vincent Merz, Ben Toepfer and Clarence Hendricks; arrangements, Nick J. Feblen, chairman; Ernest Dosler, Raymond Kerber and Ed Bell. Leonard Thoma of Stayton is general chairman of the council for membership and it was in a large measure due to his efforts the success of this and the previous successful class.  
On Tuesday night, January 16,

President Roosevelt nominated Attorney General Frank Murphy (left) to be an associate justice of the supreme court and Solicitor General Robert H. Jackson (right) to succeed him as head of the justice department. Murphy and Jackson are shown in the supreme court building at Washington.

### They're Named to Go Up

## Independence Fire Department Elects

INDEPENDENCE—The independence fire department at its election of officers Tuesday night elected Claude Thompson assistant chief; Harold Trospen, captain and Lloyd Oberon, secretary treasurer.  
Chief George Wood made the following appointments: Martin Fratke, Jack McCollum and William Noble, sunshiners; Ralph Scranton, Harold Trospen and Claude Thompson, banquet; Lloyd Oberon and Jack McCollum, entertainment; Ross Oberon and Lauren Phillips, grievance; Martin Fratke, fines; Lauren Phillips and Claude Thompson, investigation of fires.  
Next Tuesday night was set as the date for the annual fireman's banquet.  
Chief Wood reported that the department had received 200 feet of new hose which brought the hose footage for the department to a new high of about 1200 feet.

at Sublimity will be the regular meeting of the local Knights of Columbus, the "smoker" to which the new candidates will be welcomed at the first regular meeting of the organization.

## New Committee Will Be Named

### Increased Budget Will Go Into Effect for 1940 at Silverton

SILVERTON—Silverton's second year under its new mayor, Mrs. Zetta Schlador, will begin with council meeting Monday night. New committees will be appointed for the city's business and the new budget will come into effect.

Under the new budget an increase of \$12,695 in taxes will be noted. Running expenses in the city are not responsible for the increase, the budget shows, but the jump lies in bonded indebtedness largely dealing with street improvement and sewer bonds which were voted some years ago. Improvements voted during the past year bring up the millage less than three mills it is stated. A \$2000 cut in county road taxes accounts for some of the increase in the local budget, it is also reported. The budget allows \$14,685 for running expenses for the year. Of this \$4660 is levied by direct vote. The city's total indebtedness stands at \$185,329.74, of which \$16,000 is due in 1940.

Another item which the present city council voted for the coming year was uniformed police officers. Each officer is allowed a \$50 increase in salary to cover the uniform.  
It is thought unlikely that the committee appointed by Mayor Schlador to make an investigation of the proposed city managership

## Silverton's Ill Are Improving

SILVERTON HILLS—Mrs. Iva Loran will be home hostess Thursday of next week to members of the Silverton Hills sewing club.  
Mr. and Mrs. Victor Howard have returned from two weeks' holiday spent at Grants Pass.

plan will make its report at the Monday night meeting. As members of that committee are out of town for the holiday season and will not return immediately it was believed that the committee would likely not have the report ready before the regular February council meeting.

## Methodist Men Hear Dr. Purdy

TURNER—A district Methodist men's fellowship dinner was held at the parsonage on Wednesday night, with Dr. Edgar Purdy the speaker and C. F. French of Salem presiding.  
Representatives from Stayton were Rev. Hamilton, and Mrs. Wright; from Jefferson, Dr. Van Winkle. Dr. Purdy gave a very interesting and helpful talk on "Indifference of church people in regular church attendance," mentioning a survey made in his district in November, with a 100 percent response, which resulted in a correct report of church attendance, which fell far short of church enrollment.  
Mr. French spoke on the value of men meeting in fellowship groups.
