Pfund Says Salem Building Is High

Salem's home building rate exeeds by about three times the national average, Hans C. Pfund, assistant to the president of the Home Loan bank of Portland, told the Salem Realty board in an adthe YMCA by Paul B. Wallace, dress at the noon luncheon meet-

ing yesterday. The six northwest states are all maintaining a rate well over the national average, he said, and if the rest of the country would follow the west's example, the million dwellings a year which it is estimated should be constructed could be realized.

Latest estimates show 31,000. 000 families in the United States, cent, the speaker said. In 1900 nomes, or an average of 45 per bomes.

Advances in News Presentation Seen

at Oregon Conference of Newspapermen

EUGENE, Jan. 26-(AP)-Oregon newspapers have forged ahead in attractive presentation of news, Ralph Curtis, Salem Statesman, told the Oregon press conference at the University of Oregon today. He declared Oregon papers had shown real progress in recent

years. He stressed the importance

of harmonious make-up by use

contrast of headlines and stories. Lawrence E. Spraker, Stayton publisher and theatre owner, told more than 100 newspaper men attending the session that small town newspapers should take a 225,964,359 gallons the previous tip from motion picture theatres and present wholesome news and entertainment.

Merle W. Manly, vice-president of 2,758,984,514 miles in 1939, of Botsford, Constantine and an increase of 6.68 per cent over On last week's show there ap- Oregon prune as a luscious but peared such notables and old fa- misunderstood fruit.
