

Arturo Wants Joe Again

Another Chance Sought by Godoy

Chilean Must Wait Until September, Decision of Promoter Mike Jacobs

By ORLO ROBERTSON
NEW YORK, Feb. 10.—(AP)—Arturo Godoy basked today in the glory coming from giving Joe Louis a terrific battle but he'll probably have to wait until September before getting another chance at the heavyweight boxing king and the riches that go with an outdoor fight.

The Chilean fisherman, just an ordinary fighter on his visit to this country two years ago, definitely earned another shot at the title last night in Madison Square Garden but Promoter Mike Jacobs has other plans, for the present at least.

Jacobs today offered Lee Savold of Des Moines a June fight with the champion providing Savold whips Bob Pastor in the Garden March 1 and Louis comes through against Johnny Paychek on April 3. In event Pastor whips Savold, then Jacobs will consider the winner of the March 15 bout between Buddy Baer and Valentin Campolo of Argentina as a June opponent for Louis with Pastor as a 12½ lb. Heavyweight Champion Billy Conn earlier in the summer.

Will Fight Anybody
Al Well, Godoy's manager, declared the South American was willing to fight anybody but he believed his boy should get another chance before Savold, Pastor, Tony Galento or even Tommy Farr, the only other man ever to go 15 rounds with Louis.

"That was Arturo's first fight since last August," said Well. "With one fight under his belt Godoy will be even harder to whip than next time."

But there's not much likelihood of Well changing Jacobs' plans. While the 27-year-old Godoy was projecting himself into the heavyweight picture, boxing experts argued whether Louis is a great champion. Those who said "no" argued that a great champion must be good against any type of a fighter and Louis definitely was not that against Godoy's crouching, bobbing, weaving style. In a lesser fighter, Louis also was not against Galento but Tony came out of his shell twice and was tagged. Some of the experts pointed out that if Godoy had Galento's sledge hammer left hook he would be the new champion today.

There was mention of matching Godoy and Galento but their managers couldn't see any purpose in such a bar room brawl. Godoy has decided Galento twice.

Louis Is Put on the Ropes

With a two-fisted flurry that caused Joe Louis to blink his eyes and hold on, Challenger Arturo Godoy put the champion on the ropes in the third round melee of fists. This was the third-round scene. Louis came back to take the fight by a decision and retain his title after 15 furious rounds.—AP Telemat.

New Legislation Is Set by USLTA

NEW YORK, Feb. 10.—(AP)—Twenty-four hours after its executive committee had suspended Gene Mako and Wayne Sabin for breaking the amateur rules, the United States Lawn Tennis association today adopted legislation designed to forestall similar infractions in the future.

Under the new code, the presidents of the 13 sectional associations, acting jointly with the national president, are empowered to rule on a club's right to pay and a player's right to receive traveling and living expenses. The action for the first time gives the USLTA the power to withhold payment of expenses. Previously it could only take punitive action after it had been shown that a player had broken the rules.

LOS ANGELES, Feb. 10.—(AP)—Gallahadion, owned by the Milky Way Farms, took a place in the front ranks of contenders in the coming \$50,000 Santa Anita derby today when he conquered a field of 18 rivals in the \$10,000 added San Vicente handicap at Santa Anita park.

(Continued from Page 7.)

Koski Hits Cripple
Back came Koski, Astoria forward, to lay home a cripple on a fast break, but from there Kernes took over to stage almost a one-man show the rest of the route. He didn't do all the hitting, but when he wasn't hitting 'em himself he was faking the defense out of position and popping the apple in on McKee and Henry for easy cripple shots.

Only a one-hander by Seeborg from the corner was scored for the Astorias in the last three and one-half minutes, while Kernes tucked home three field goals and a pair of gutters and McKee and Henry each scored. Kernes once took a held-ball tipoff three-fourths the length of the floor on a dribble and holed out a flying shot despite the fact he was smacked midships en route and was slammed 20 feet past the endline on the play. Unabashed, he canned the resulting free throw also.

Lovvold Gets 14
Lovvold, Astoria's sweet pitching righthander, took scoring honors, with 14 points. He seldom missed with his one-handed cast. Kernes was right behind, with 12 points. The Redhead hit four of six shots taken, batted in percentage by Russ Satter only. Satter slung through all three of his attempts, all in the first half. Despite missing a mess of easy

Crowell has been campaigning successfully around Los Angeles, his most recent victory being a three round kayo of 310-pound Blimp Williamson.

ones in the third period, Salem's firing average for the night was a cool .435, hitting 20 of 46 shots. Astoria had a regal average itself, hitting 15 of 49 for .304.
