State Endeavor Plans Started

50th Annual Convention Set for Dallas in April

DALLAS — Preparations are well underway for entertaining the 50th annual Oregon State Christian Endeavor convention in Dallas on April 18-21. Bruce Spaulding, general chairman, and Rev. O. D. Harris, local convention committee secretary, have announced that the meetings will be held in the old county fair-grounds pavilion. The building will be put in shape by a committee headed by Rev. Walter Duff, jr., who is also in charge of financing the convention. Pro-

vision will be made for heating the building and seats will be arranged for 1500 people.

The banquet will be held at the Dallas armory rather than at Monmouth as first planned. It is estimated that the armory will seat 800 for the banquet, which should care for those who will wish to attend it. Rev. F. A. Lenz is in charge of the meals committee and Mrs. Clarence T. Smith will serve the banquet.

There are some committees yet to be appointed. However, the housing committee will meet next Tuesday night, March 5, at the Dallas Christian church to make plans for obtaining lodging and breakfast of about 800 delegates who will come from a distance. The housing committee is composed of one member and the pastor from each church. The entire county will be called upon to help provide housing.

Rev. O. D. Harris states that there will be a minister's luncheon on Friday noon the week

of the convention to which all pastors are invited. There will also be an executives' breakfast sometime during the three days' convention as well as denominational luncheon which will be held at the First Christian church.

Various contests are now being conducted by the state union for which awards will be made during the convention. It is estimated that the convention will bring around 1500 young people to Dallas for the three days.

What they're saying about NEW SUPER-SHELL...

"Getting better round-town mileage than I believed possible with my car" — H. G. M.

"Pickup is much smoother — I notice the improvement in all 3 gears" — P. A. S.

"New Super-Shell at the old price is today's biggest gasoline bargain" — F. W. K.

"It sure is quick-starting!" — T. L. N.

And about NEW SHELL PREMIUM (WITH ALKYLATE)

"I certainly like that even power flow from alkylate" — A. N.

"Been deliberately trying to make my engine knock with New Shell Premium and still can't do it" — M. V. R.

"Finest motor fuel performance I have ever known" — D. C. H.

Quick Facts on New SUPER-SHELL

Q. Why is it more economical?
A. NEW SUPER-SHELL is made by Shell's "BALANCING PROCESS" to give you outstanding performance in all gears. This means increased savings on Stop-and-Go — your costliest kind of driving.

Q. And on the highway?
A. "BALANCING" makes every drop of NEW SUPER-SHELL more fully usable — at all speeds.

Q. Is it quick starting?
A. Yes! NEW SUPER-SHELL is the fastest starting regular grade of motor fuel we've ever made!

Q. Are its anti-knock qualities improved?
A. Yes. Test NEW SUPER-SHELL on the steepest hill you can find. You can feel the difference.

Q. Does New Super-Shell cost more to make?
A. Yes — but it costs you no more.

Quick Facts on New SHELL PREMIUM (WITH ALKYLATE)

Q. Does it give better mileage?
A. Yes. NEW SHELL PREMIUM has the highest power output of any Shell motor fuel in history.

Q. Are anti-knock qualities improved?
A. Yes. NEW SHELL PREMIUM contains alkylate.

Q. What is alkylate?
A. A petroleum derivative extremely high in anti-knock value. Alkylate makes possible Shell's super-octane gasolines for aviation.

Q. Is New Shell Premium quick starting?
A. Like a flash! We know of none faster!

Q. What about the price?
A. SHELL PREMIUM costs more to refine, but the price to you remains the same.
