Tournament Numbers Are Played in Program at Lebanon

LEBANON—Numbers which will be presented in the instrumental tournament in Albany and the vocal tournament in Forest Grove next month were part of the program Tuesday night when the first joint band and glee club concert of the year was given.

Two band numbers, "Celebre Treador" by Metallo and "Nobe" by de Rubertis were followed by clarinet, horn and brass quartet arrangements of Schlabach's "Caprice," Bach's "Fugue" and Johann Strauss' "Pizzicato Polka." The choir sang the "Prelude" by Cain; "My Heart is a Silent Violator" by Fox; "Mountain Song" by Rasbach-Ashcroft and Malotte-Dels; "The Lord's Prayer." The girls' double trio sang "Cloude" by Charles and "Deep River." Four numbers by the choir followed. "When Allendale Went Hunting," "My Lovely Cora," "The Coesack's March" and the Jugo-Slav folk song, "The Peasant and His Oxen." The band concluded the program with three selections, "A Day in the Life of a Soldier," "Stradella Overture" and "The Star-Spangled Banner."

Dorothy Bohle was the accompanist. Alice Holmback and Gordon Tripp were the instructors.

Following the concert there was a reception in the home economics rooms honoring participants in the out-of-town guests among whom were John Stehn and Rex Underwood of the University of Oregon department of music, Capt. John Beard of the State college, Delbert Moore and Arlie Hatfield of Corvallis, Miss Charlotte Plummer and Jack Plummer of Eugene, Vernon Wiscarson of Salem and Loren Luper of Albany. Donald Chamberlain and Lois Gintner, former Lebanon high school students now majoring in music at the state university were home for the concert. Mr. and Mrs. Tripp of Eugene, the parents of Gordon Tripp, director of the Lebanon band, were additional guests.

There are 45 pieces in the band and 47 voices in the choir. The clarinet quartet is made up of Jean White, Charlotte Bohle, Harold Michels and Lorelei Stewart; the horn quartet of Nancy Kirkpatrick, James Southwick, Wilma Green and Betty Brown; the brass quartet of Harold Post, George MacDonald, Norman Leckband and Walter Johanson.

### Spring Is Here! Humming Birds Arrive at Scio

SCIO—Humming birds arrived in the Scio area March 11, according to Dr. A. G. Prill, who has a large ornithological collection in this city and has kept records of the humming birds' advent for several years. Members of the species arrived here March 1 in 1939, the earliest date shown in Dr. Prill's records. Three times they have come on the 11th of this month and never later than the 17th. Dr. Prill is one of several Scioans who have affixed hummers' feeders to their outside house walls. The lunch counters are inverted, four-ounce green bottles to which are attached a celluloid flower. The bottle holds a syrup made of equal parts of sugar and boiling water. A flock of the tiny birds have been known to empty a bottle three times during a day.
