Queen Candidates Nominated at WU

Lois Herman, Betty Starr and Verna Vosper to Compete in Final

Friday the Willamette students chose three candidates for May queen, to rule over the May week-end festivities. They are Miss Lois Herman, Miss Betty Starr and Miss Verna Vosper.

Miss Herman is the daughter of Mr. and Mrs. C. H. Herman of Medford. She transferred to Willamette from Pasadena Junior college her junior year.

Miss Starr is a member of Beta Chi. The May queen will be selected from these three nominees at an all student election next Friday.

Miss Vosper is the daughter of Mrs. Mabel L. Vosper of Portland and is secretary of the student body this year. She is a senior scholar in religion, a member of Cap and Gown and of University Vespers.

Miss Starr is the daughter of Mr. and Mrs. C. L. Starr of Portland, and is senior scholar in mathematics. She was a transfer from St. Helens hall her sophomore year and has been very outstanding in music circles on the campus and in Portland.

Snell Certifies 417 Candidates

Secretary of State Earl Snell Saturday certified the 417 candidates who filed for the primary election to the county clerks. The time for filing for the primary election expired last Monday night.

The certifications will be used by the county clerks in arranging their ballots for the primary contest.

Why not make this year your "Big Moment"? Business is Good, Thanks - so you'll get plenty for your old car and more in your new one at your Buick dealers. Above is the Buick SPECIAL 4-door touring sedan \$996*. WE'RE talking here to those thousands who have not yet achieved a lifetime ambition: That is to say, they don't yet own a Buick. We want to point out a few facts about the Buick SPECIAL pictured here - show how it swings wide the door on a golden opportunity. Step into this sleek sweetheart. Your treadle foot touches off a trigger-quick Dynaflex straight-eight engine that's just about the smoothest thing that runs, thanks to micro-poised-balancing after assembly. Swing through the gear changes and you find the same easy, finger-flick shifting as in the most costly Buick. And the same recoil-mounted Knee-Action soaking up bumps before they reach your hand on the steering wheel. Take a rough road in stride. You'll find that stout Buick Coil Springs muffle out the bumps - and they'll never need lubrication. Look out through the easy-vision Safety Plate Glass in every window. Check up on the equipment: Two-Way Direction Signal with automatic cut-off, built-in automatic choke, oil-filter, high-capacity water pump - they're all there. Here's the smart style, the blithe performance and the solid, substantial Buick quality of materials and workmanship that make this the car you've been looking forward to. Yet the figures on the SPECIAL make you think it's a six instead of a husky straight-eight. Indeed, when you count in the included equipment, it costs no more than some cars with lower advertised prices. So look into the Buick SPECIAL. See if this isn't the time to "step up" to the car you've always wanted. You can take a trial drive any time just by asking your Buick dealer. Prices begin at \$895 for Business Coupe - Sedan prices start at \$655. *delivered at Flint, Mich. Transportation based on local rates, state and local taxes (if any), optional equipment and accessories - extra. Prices subject to change without notice. "Best buy's Buick!" EXEMPLES OF GENERAL MOTORS VALUES. OTTO J. WILSON 388 N. Commercial Phone 5451
