200 Marion County Legionnaires Attend Gathering at Mt. Angel

County Council Holds Meeting

Hears Speaker's Warning Against Debts, "Reds" in Country

MT. ANGEL—About 200 Legionnaires and auxiliary, meeting here at the Memorial hall Thursday night for the Marion county council, applauded enthusiastically time and again as Dr. P. O. Reilly of Salem, main speaker, interspersed his humorous and entertaining talk with serious remarks.

In speaking of the critical time facing America this year and the next he stated "what we need is to keep the country out of the red and the reds out of the country."

He also spoke of his first visit to Mt. Angel 25 years ago when he accompanied Madam Schuman-Heink who came here to visit her old friend, the composer, Father Dominic Wadenschyler, then pastor of Mt. Angel.

An octet of Salem Legionnaires under the direction of Joe Prange, a former Mt. Angel man, sang "Keep the Home Fires Burning" and "Bells of St. Mary."

Manolis Presides

Dr. Reilly was introduced by George Manolis of Silverton, president of the Marion council, who presided at the joint meeting that followed the separate business sessions of the Legion and auxiliary.

At the Legion meeting Mose Palmateer, Salem, Legion department commission chairman, spoke on the national employment week to be held May 1 to 8. Donald McBain, manager of the Oregon state employment service, likewise talked on employment and the rights and duties of Legionnaires regarding it.

There was a general discussion of the Soldiers' Indigent fund and the commanders of the Marion county posts with George Duncan of Stayton as chairman, were appointed by President Manolis to study the subject and report at the next council, slated for the third Monday in June at Salem.

The auxiliary meeting was conducted by Mrs. Alta Hall of Silverton, county president. A roll call showed the following representatives from the visiting units: Salem, 18; Silverton, 9; Stayton, 9; Woodburn, 9; Aurora, 6. Reports on unit activities were made by all unit presidents. The outstanding feature of the reports was the great amount of welfare work carried on by the auxiliary.

Music on Program

Alternating with the reports were the following entertainment numbers: songs by the junior trio composed of June Ann and Flodine Lucht and Elaine Prosser; violin solo by Anna Mae Schiedler; piano duet by Mary Jean Schwab and Rita Wellman; and vocal duet by Florence Smith and Marie Monde.

Mrs. Gladys Turnbull was the main speaker at the women's gathering, giving a full account of the Area Child Welfare conference at Tucson, Ariz., which she attended. She said that all phases of child welfare were covered in the two-day meet but special emphasis was put on juvenile delinquency and the extensive work the Legion is doing to better conditions.

Mrs. Edith Brown, state finance officer, touched on various spring activities of the auxiliary, stressing the sale of the Memorial poppy.

The president of district No. 3, Mrs. Frank Southern, invited everyone to attend the county council at Toledo on Sunday, April 21, and Mrs. Eva Humphries, wife of the Marion county district commander, discussed the good accomplished by the auxiliary as a group.

New Citizens in Polk County Honored With Dinner Meeting

Final Papers Granted to 57

Speaker Makes Contrast of Dictatorships, Democracies

DALLAS—Dr. William G. Everson, president of Linfield college, was the guest speaker at the dinner meeting given by the local chamber of commerce here Wednesday night in Lonor of Polk county's newest citizens. About 140 were present for the dinner.

Oramel Shreeve, president of the Dallas chamber of commerce, presided at the meeting. He introduced Circuit Judge Arlie G. Walker, who had presided Wednesday afternoon at the heerings where the final papers were granted the new citizens. Judge Walker introduced the members of the October class and the April class who had received their final papers. He stated that 57 applicants had received their final citizenship papers in the October and April classes.

Mrs. Max Fischer, who was a member of the April class and whose husband had been an officer in the German army during the World war, responded on behalf of the new citizens. Mrs. Fischer told of her joy and gratification in becoming an American citizen and also presented a gift from the new citizens to Mrs. Otillie Sigurdson of West Salem, who had coached them in preparation for the examinations.

Flags Given

Dr. Everson, who was a major-general in the World war and commanded American troops in the Italian sector, paid tribute to those of different nationalities who fought with the American forces and who so willingly gave their lives for their adopted country.

He stated that in these times we do not know what unexpected news our papers may bring us and called on all to use good judgment and clear thinking in the days ahead.

Academy Play To Be Sunday

"Little Women" Will Have Repeat Performance on Tuesday

MT. ANGEL—Students of Mt. Angel academy are holding final rehearsal this week in preparation for the public performances of "Little Women," which they will present in the academy hall on Sunday, April 14, at 2 p. m. and again on Tuesday, April 16, at 8 p. m.

Mary Jean Bauman of Mt. Angel is cast in the leading role, that of Jo, the second daughter of Louisa Alcott's famous March family.

"Little Women" was released for local production by the Northwestern Press, Minneapolis, Minn. The dramatized version contains all the humor and pathos of the novel from which the play was adapted. While seasoned actresses have often been called on to interpret the Alcott characters, the local students have the advantage of youth in portraying the ever-young little women.

Other familiar characters will be played as follows: Meg, Mavis Rickert; Aunt March, Wilma Brassel; Beth, Annemerle Hohenleitner; Amy, Christine Eberle; Mrs. March, Dorothy Dilker; Hannah Mullett, Loretta Hassing; Professor Bhaer, Genevieve Crane; John Brooke, Dolores Annen; Laurie, Gale Storm; Mr. March, Ruth Thompson.

Students in charge of ticket sales announce that those who hold tickets for "Little Women" will be admitted on the same ticket to a comedy to be presented on May 7 by the high school girls.

Sidewalk in Prospect For Hill at Silverton

SILVERTON—In the absence of the president, Herman Naegeli, Dr. A. L. V. Smith, vice president, presided over a busy session of the Silverton Safety council Thursday night at the city hall.

Lester Standard, chairman of the engineering committee, reported that the WPA was dumping rock on Oak street over East Hill in preparation to make a retaining wall there. A sidewalk will be built later. Georgs Barr, new member of the safety council, and former mayor of Silverton, reported that efforts had been made for over 20 years to obtain a sidewalk in this location but that this was the first time actual steps of progress were being taken. This has been a project of the safety council since its formation. A number of accidents have occurred on East Hill at this place, members of the council reported, as there was no place of safety for the pedestrians and motorists could not see in coming over the hill.

The crowded conditions of Sunday parking in front of Immanuel church on Church street and Trinity church on Second street were again brought up. Efforts will be made to have this remedied.

Street Rough

The excessive roughness of West James street and the excessive smoothness of McClaine street were also brought to the attention of the council. It was pointed out that at one time the city council had made efforts to obtain sufficient strips of land along the highway to somewhat eliminate the two dangerous curves on McClaine street. If this can still be done it will be investigated by members of the safety council.

Obtaining pedestrian lane markers on Water street at the Southern Pacific station where high school students going to and from school must make a crossing, making stop streets at Main and Oak as they enter Water street, slowing down traffic on Mill street, and having safety lanes repainted, were among the matters discussed. Members reported that the local police would likely repaint the safety lane markings as soon as weather permitted. Efforts will be made to obtain the state police to check on the speeding on Mill street.

The captain of the junior high school motor patrol will be invited to attend the safety council. Suggestion was made that special invitations should be sent to the mayor, the president of the Woman's club and the chairman of the city street committee as being persons who should be especially interested in the work of the safety council.

A speaker will be obtained for the May meeting.
