Swimming Pool Fund Increased

\$20,000 Project May Be Completed This Summer at Silverton

SILVERTON — George W. Hubbs, city recorder and purchasing agent, assisted by the city council swimming pool committee, R. A. Fish, L. F. Tucker and Al Cooty; Everett Hughes, WPA engineer, and Ross Winslow, Silverton engineer, formulated a plan whereby federal approval of a supplement project was received, when it was learned that funds were not adequate to complete the pool. The city council cooperated in the new plan by lending \$300 from its emergency fund.

By this means the committee hopes to have the new \$20,000 pool ready for swimming season use.

Application has also been made for a federal recreational project, whereby 75 per cent of the labor cost of maintenance is provided by the government.

The recreational project will be worked out in conjunction with the Parent-Teacher recreational project.

Last season the PTA maintained such a project which proved very popular with Silverton boys and girls. Swimming students had to be taken to Salem last summer.
