Step out smartly to meet a busy day . . . or stay at home looking dainty and cool, in Pattern 4384. Anne Adams has designed this dress in two useful versions. A yoke holds the bodice fullness trim and smooth, with gathers below the yoke in back and unstitched tucks in front. Paten pockets will lend extra style to the panelled skirt. For the more tailored version, make a becoming collar that comes in two lengths and may contrast, and have the sleeves either short and tucked or full length. Then, for the softer style, cut a squared-V neckline, let the sleeves be in short, summery caps, and run ric-rac or crisp ruffling around the edges. Pattern 4384 is available in

women's sizes 34 1/2 36, 38, 46, 42, 44, 46 and 48. Size 36 takes 4 yards 35 inch fabric.
