Pattern

Figures are of the utmost importance when you go without your own dress. Pattern 4462. There are so many features you'll like! That button-front gives a slimming up-and-down line and helps you dress quickly too. The pointed side bodice sections make for a smart, long-waisted effect and are cut on the bias to fit perfectly without using darts. Front and back skirt panels allow extra sitting and walking ease. Aren't the revers and cuffs youthful? You might have them in white lace or eyelet embroidery for a refreshing and immaculate appearance.

Pattern 4462 is available in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 4 1/2 yards 35 inch fabric and 3/4 yard contrast.
