

## Rehearsals to Begin Tuesday

Over 800 Dancers to Be in Centennial Pageant; Signing up now

With rehearsal dates drawing near, a last minute rush to sign singers, dancers, actors and general participants for the Salem Centennial pageant is under way. Ken Dalton, chairman of the dance committee, announced that over 800 dancers will take part in the presentation. Among these will be 200 girls, ages 12 to 16, experience unnecessary; earth dancers, 100 girls, ages 16 to 25, experience unnecessary; sun dancers, 100 girls, must have experience; fertility dancers, 50 little boys, 50 little girls, 10 to 14, experience unnecessary; fix appears, 10 boys and 10 girls, ages 8 to 10, experience unnecessary; athletes, 30 girls, all sizes, 20 men, all sizes; lumberjacks, 20 men, athletic type; settlers, 15 men and 15 women, any age; pages, 150 small boys.

All of these dancers are now being signed up, but many persons who have talent and could learn the dances in a short time have not as yet registered. Alfred Lauraine, dance director, has issued a call and set his first rehearsal for June 11 at 7:30 p. m. in the W. J. Lamette university gymnasium. It is hoped that many persons will register for the pageant at Centennial headquarters, 260 North High street. More information may be obtained at telephone 7202.

## \$1,500,000 Wage Increase Provided

Paper Mill Employees of Coast Vote for New Agreement

PORTLAND, Ore., June 8—(AP)—American Federation of Labor paper mill employees of Oregon, Washington and California agreed today to a new contract providing a \$1,500,000 wage increase to 15,000 workers.

The new agreement, accepted by a vote of 4900 to 2500 in a coast-wide referendum, boosts basic wages 2 1/2 cents an hour, to 65 cents an hour minimum for men and 52 1/2 cents for women. It also provides a week's vacation with pay for regular employees of two years.

The contract is retroactive to June 1.

Cities primarily affected are Oregon City, Camas, Pomona, Los Angeles, Vancouver, Wash.; Empire, Ore.; Lebanon, Ore.; Antioch, Calif.; Fort Angeles, Portland, South Gate, Calif.; Sumner, Wash.; Stockton, Vernon, Calif.; Salem, Bellingham, Longview, Anacortes, Hoquiam, Shelton, Port Townsend, Everett, Tacoma and St. Helens.

Spokesmen for the union and employers said there would be "ensuing adjustments."

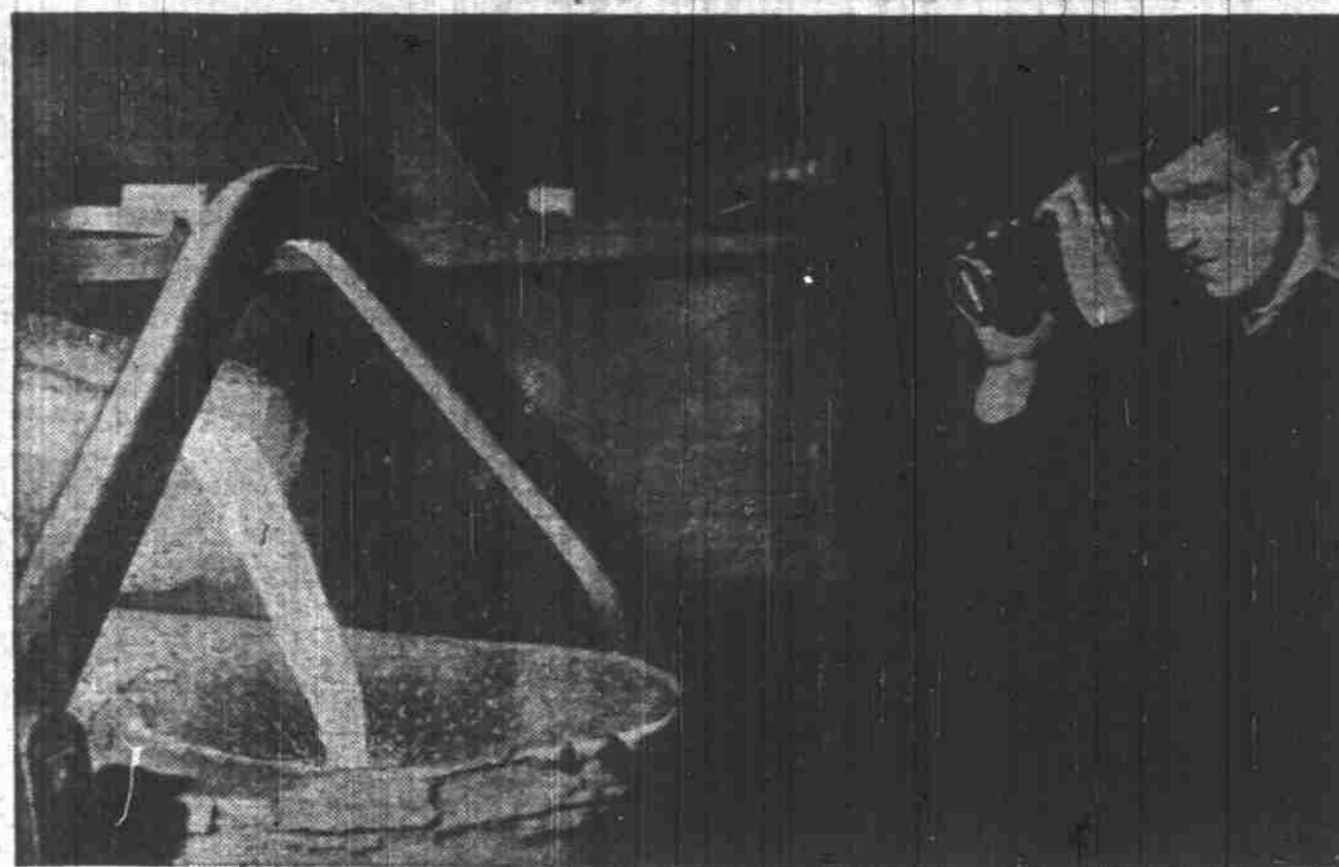

Unions involved are the International Pulp, Sulphite and Paper Mill Workers' and the International Papermakers' of the three Pacific coast states.

## Newberg Approves Council Increase

NEWBERG, June 8—(AP)—Voters approved yesterday a city charter amendment increasing the city council from six to eight members, one from each ward.

Four other proposed amendments were defeated, however, including one to increase the terms of mayor, recorder and treasurer to four years each.

## Instrument Reads Heat of Molten Iron

In the foundry of the Dodge division of Chrysler corporation, temperatures of the molten metal are measured at a distance, with the aid of an ingenious optical pyrometer. In training the instrument on the metal, the heat checker brings a small illuminated colored ball within the pyrometer into alignment with the image of the stream of flowing metal. With the ball and the metal stream in alignment, the checker turns a graduated scale until a point is reached where the illuminated ball disappears from view. The indicator then shows the temperature of the metal at the moment of pouring—usually from 2810 to 2840 degrees Fahrenheit.

## They're Mobile Ambassadors

Left to right with Ford car No. 28,000,000, above, are Co-Pilots Jimmy Rooney and Charles Soderquist, headed for New York world's fair.

## 4H Clubbers Leave Monday for School

Wayne Harding in Charge of 201 in Marion County Group

Members of Marion county 4H clubs, including 69 boys and 132 girls, will leave tomorrow for Corvallis to attend the annual 4H summer school held on the campus of the state college.

Many of those attending will leave today at 5:20 p. m. on a special train from the Southern Pacific station. Program for the summer school includes lectures, demonstrations and classroom work on various phases of the 4H program. Students will also participate in recreational activities of their own organization. While attending the summer

school, the local boys and girls will live in fraternity and sorority houses and dormitories on or near the college campus. They will be supervised by chaperons who will attend with them, and will be under the general direction of Wayne D. Harding, Marion county club agent, who is also an administrative officer of the school.

## Court Asked to Void Nomination

PORTLAND, June 8—(AP)—Robert O. Kjos contested today the nomination of Walter T. Snearley as county assessor in the democratic primaries. In a circuit court action, Kjos charged Snearley was not registered, that he filed an illegal declaration of candidacy and cast an unlawful vote. The court was asked to name Charles Ringler, defeated incumbent, as the nominee.

## 28,000,000th Car By Ford on Tour

Bay Exposition Is Visited; Pilots now on Way to New York's Fair

Enroute to the New York world's fair this week, via Canada, is Ford car No. 28,000,000, which recently visited the Golden Gate International exposition and was royally welcomed by highest officers of state, city and exposition, along with detachments from the British and Mexican consulates and the entire cast of "America's Cavalcade of a Nation."

The symbolic automobile arrived at the San Francisco bay fair simultaneously with H. C. Doss, general sales manager of Ford Motor company, B. W. Siagle, head of the Lincoln Zephyr-Metecury division of the Ford company, and J. R. Davis, western sales supervisor, who were there to conduct the first gathering of automobile dealers on the island during the 1940 season of the exposition and open the Ford building.

The car has been to Mexico City on its 10,000 mile international good will tour. Civic receptions have been held at hundreds of points along the route. The car will arrive in New York on Ford day, which marks the 37th anniversary of the company. It will be placed on display in the Ford building in the New York world's fair.

## Two More Bodies Taken From River

VANCOUVER, Wash., June 8—(AP)—The bodies of two victims of last Sunday's Columbia river boating tragedy near Bonneville dam were recovered here today.

They were those of Mrs. James Rowley, 35, Washougal, Wash., and Virgil Deaver, 19, Corbett, Ore. Still unreported are Mrs. Anna McLain, 35, Washougal, and James Rowley, 35. The only survivor is Edward C. Rowley, 41, brother-in-law of the woman whose body was found.

A small skiff, bearing all five, overturned in an eddy near shore. Edward Rowley, who could not swim, clung to the craft and was picked up hours later 15 miles downstream. The others attempted to reach shore.

## Patient Is Right; Gas Smelled by Prosecutor too

SPOKANE, June 8—(AP)—Edward Lehan, Spokane county's new deputy prosecutor, said tonight he still was unconvinced that delusions are not catching. Lehan made his first appearance at a psychopathic hearing today and found one patient was suffering from delusions of asphyxiation.

A short time later, he said, he was closeted with Deputy Ed Lewis and two children on another case and suddenly began to feel the effects of gas.

"It was coming up through the floor, just as that patient had insisted," shuddered Lehan.

He squirmed and looked at Lewis, but said nothing. Then the children grasped their noses and rushed from the room. Lewis jerked open a window and glanced into courtyard below.

A steam shovel, breaking ground for a courthouse addition, had ripped open a gas main.

## Portland Grows At Least 5657

PORTLAND, June 8—(AP)—The 1940 census will show at least a 5657 gain in Portland's population over a 10-year period, Ruth Haefner, district census supervisor, said today. The population will total 307,572 and might reach 310,000, she added.

## Episcopal Bishop Will Receive Honor Degree

PHILADELPHIA, June 8—(AP)—An honorary degree, doctor of sacred theology, will be conferred on Rt. Rev. William F. Remington by the University of Pennsylvania June 13. Rt. Rev. Remington is the Episcopal bishop of eastern Oregon and a former Pennsylvania athlete.

## Used Auto Drive Produces Results

Continuance Is Ordered for Present Month, Is McKay Report

Continuation of the intensive sales and advertising activities which contributed so largely to the sharp sales gains in used cars made by Chevrolet dealers during May was announced here today by Bill Page of the Douglas McKay Chevrolet company.

"The records of sales for the month just ended show one of the most successful used car campaigns we have ever had," said Page. "Persons planning vacations have taken advantage of the tremendous savings offered at this time and have purchased cars that will give them peak performance at great economy."

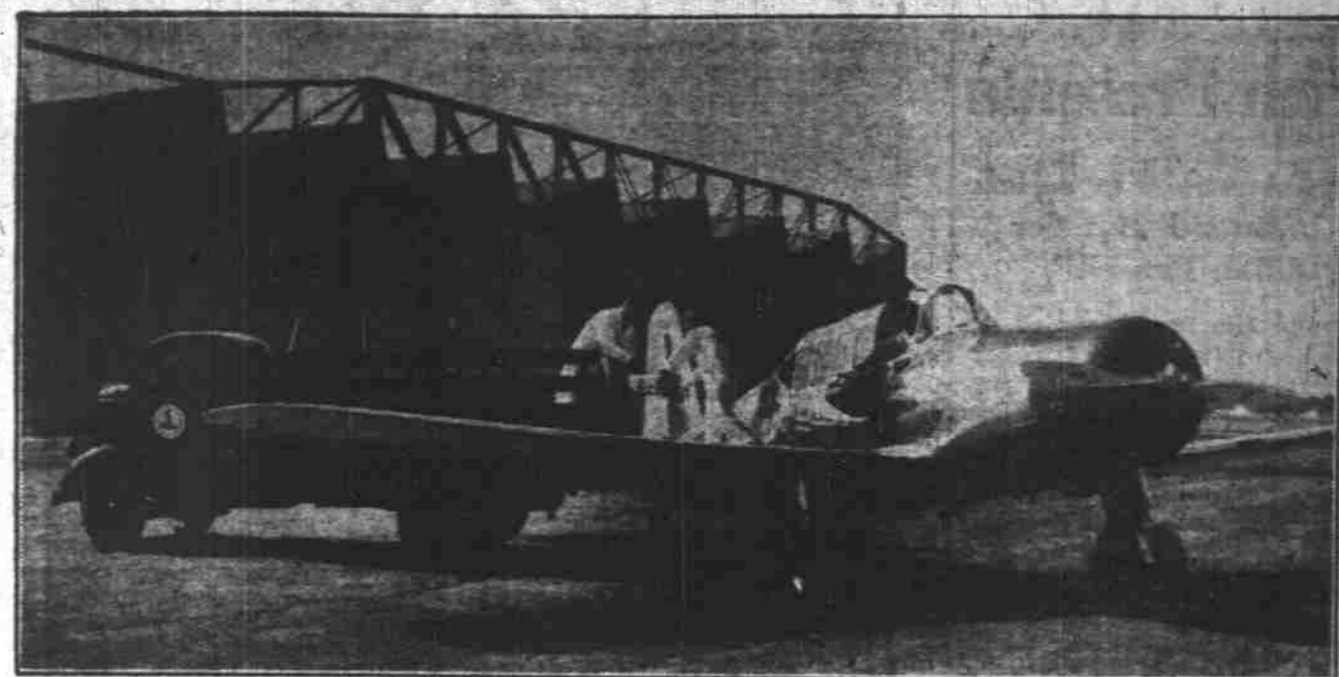

During the month of May, Douglas McKay Chevrolet company sold 71 used cars and trucks, according to Page. "This upswing in sales represents an increase of 48 per cent over our used car mark made in February and an increase of 30 per cent over May of 1939," he said.

The outstanding success of the recent used car campaign was attributed to the excellent stock of makes and models the McKay company is offering the motoring public. "Many of the cars we have on display are actually less than one year old," Page pointed out. "Our used car experts have checked and double-checked all models to assure every purchaser an automobile that will give dependable, safe and economical transportation. In continuing this great used car sale, we again offer the buying public the greatest values we have ever extended."

## County Officer Sentenced

EVERETT, Wash., June 8—(AP)—Arnold Levy, former Clallam county commissioner, was sentenced to a possible maximum of 25 years in prison today upon convictions of larceny and two forgery counts.

## Latest on Land and in Air

The up-to-the-minute monoplane being serviced by the Chevrolet truck above is the new Vultee Valiant 54, a basic training airplane built by Vultee Aircraft, Inc., which also produces pursuit planes and bombers. The craft has a 42-foot wing-spread, and when loaded weighs just under two tons. It has a cruising range of 1050 miles, a service ceiling of 21,000 feet, and a landing speed of 53 miles an hour. Both plane and truck, of course, have valve-in-head engines for the maximum dependability and power which that type of power plant provides.

## Chrysler Has "Coming Out Party"

Charles L. Jacobson (left), vice-president and general sales manager of the Chrysler sales division, Chrysler corporation, and David A. Wallace, president, christen one of the new two-tone extensors now offered by Chrysler at slight extra cost. Because of the fine lines of the Chrysler car, the two-tone combinations are particularly effective. Owners may choose from among four combinations, namely, two tones of gray, of green, of blue and maroon and beige.

## Saving Possible On Salem Bonds

A possible saving of \$4052.50 will be made by the city of Salem with its recent bond transaction whereby funds from sale of \$98,000 worth of bonds bearing 2 per cent, plus \$14,000 from the sinking funds, will retire \$112,000 worth of refunding bonds bearing 3 and 3 1/2 per cent interest.

The saving is only possible if the newly issued bonds are called for redemption in 1945. Total interest paid on the 2 per cent bonds by that date will be \$6700 as compared to \$10,752.50 total interest that would have been paid on the older bonds had they been allowed to run to final maturity in 1945.

The transaction refunds \$98,000 worth of bonds and in addition retires \$14,000 worth of bonds due in 1941, thereby decreasing the future bond debt by \$14,000.

**FORD V-8 INSTRUCTION BOOK**

**You Don't Have to "Break-In" the Ford V-8**

You can forget the tedious 500 or 1,000 mile breaking-in period with your new Ford. It is ready for normal driving immediately. You can drive it up to 60 miles an hour right from the start. After the first hundred miles you can drive it as fast as you desire.

This means that you can enjoy your Ford V-8 from the start—which is important particularly if you are thinking of taking a long trip—or if you use your car for business. You do not have to drag along at slow speeds.

The Ford V-8 needs no "breaking-in" because of unusual accuracy in the manufacture of moving parts and the smoothness of bearing surfaces. Clearances were correct when the car was delivered to you. The car does not need to depend on a long wearing-in period to eliminate tightness and insure smooth running.

Such precision methods are bound to result in longer life, greater economy and better performance. They are further proof of the care and quality that have gone into the making of your Ford V-8.

**When FORD says they're ready—they are!**

You don't have to baby your new Ford V-8 for 500 miles or so. The great engine in this car reports to you ready and rarin' to GO!

You can "give it the gun" the minute it arrives . . . head for the open road . . . feel the smooth sweep of power from those eight cylinders.

No other car in the low-price field promises you such instant action!

No other car in the low-price field gives you eight-cylinder action!

And every inch of the big Ford V-8 car matches the extra value and brilliant performance of its engine.

Beauty, style, safety, comfort, economy—every and any way you want to look at it—here is the quality car in the low-price field!

It Pays to Deal with the Ford Dealer

He is ready, willing and anxious to trade—any make. Before you buy any car, let him show you how easy it is to own a new Ford V-8. Prices are low and include equipment for which you often must pay extra.

**BOYS—JOIN THE FORD GOOD DRIVERS LEAGUE**

and get a FREE copy of the new 64-page book "HOW TO BECOME A SKILLED DRIVER"

ALSO, ENTER \$30,000 NATION-WIDE DRIVING CONTEST

Prizes include 48 university scholarships, 96 free trips to New York World's Fair and trophies to state and national winners. The Ford, Mercury or Lincoln dealer is local League Headquarters. See him for information and Enrollment Blanks.
