

### Indian Tribes Put On Roundup Show

10,000 Attend; Majority of Riders Stick to Bucking Brones

PENDLETON, Sept. 12—(AP)—Painted redmen from six tribes danced in full war regalia to the pulsing rhythms of the tom toms today in a tremendous spectacle that enthralled 10,000 round-up fans.

The band of flying hoofs re-echoed through the arena as Umatilla, Cayuse and Walla Walla tribesmen put on their show. They were reinforced by visitors from the Nez Perce, Yakima and Spokane tribes. One Indian—Leonard Wahape, 37—suffered serious back injuries when his horse fell and rolled on him. His condition is critical. The town is a riot of western color with countless "bags" stomping the streets, and cow-pokes, 16-gallon hats, deer-skin shirts and Indians on every corner. As usual, the pageantry, dancing and gaming attracted scores to Happy Canyon tonight.

Entries in both the world's and northwest bucking championships again proved just as tough as their mounts, most of them successfully riding their critics. Day money-winners in other events follow: Calf roping — Richard Merchant, Tucson, Ariz., 16 2/5 seconds; John Bowman, Oakesdale, Calif., 18 1/5 seconds; Toots Mansfield, Benders, Tex., 18 3/5 seconds. Steer roping — Ace Soward, Buffalo, Okla., 15 4/5 seconds; Wolfe Marcum, unlisted, 23 seconds; Clay Carr, unlisted, 23 1/5 seconds. Bulldogging — Frank Van Meter, Weller, Ida., 15 3/5 seconds; Doc Hinton, Geronimo, Ariz., 18 seconds; Jack Wade, Halkirk, Alberta, 24 3/5 seconds.

### Grid Drill Opens Monday at Indep

INDEPENDENCE — Football practice opens at Independence high with the beginning of school Monday, September 23, under the new mentor, Ray Scott. While hopes for a winning club are high, a heavy schedule against high class opponents may hurt the team's chances.

Seven lettermen return, including Ends Gene Graham and Robert Barnhart, Backs Clarence Russell and Kenneth Byers, Guard Alfred Peoples and Backies Bob Peoples and Harold Primus. Best of the non-lettermen prospects are Ray Smith, Hank Merritt, Junior Boyce and Jess Sohn. Meeting Silverton in the Hopsters' opener, October 4, will find Coach Scott's team handicapped by lack of practice. Silverton will have had two weeks of scrimmage, and advance dope points to a win for the Silver Foxes.

Independence schedule: October 4—Silverton, here. October 11—Monmouth, here. October 15—Palomath, here. October 22—Astoria, here. November 11—Chenawa, here. November 15—Dayton, here.

### Vocational Board Shifts Teachers

Changes and transfers in the teaching personnel of vocational schools were reported yesterday by the state board for vocational education.

Clara Clark, superintendent of schools at Butte Falls, and for some time an ardent proponent of vocational education, has been appointed trade and industrial coordinator at the St. Helens high school.

Shogren has been appointed coordinator for the national defense training program in Salem. His particular duties will be formulating technical matter for classes in defense training at vocational schools throughout Oregon.

### Elders Still Fit For Army Training

Older men, particularly those who did their service in the army two decades ago, are better at army life than young bucks of 20 or so, declared Ray W. Conway, secretary of the Oregon Motor association, yesterday in an address given before the Salem Lions club.

Conway, who was one of 2500 business and professional men who took a month's training course at Camp Ord in California this summer, said that army officers found the older men learn regulations faster than their juniors, and because of an ability to conserve their strength, were able to stand up with younger men in about-camp tasks.

"The older men couldn't stand up against the younger in a bayonet fight or in a fast race, but he could hold his own in a training grind lasting from 5:30 a. m. until lights out at 9:30," Conway said.

The speaker, himself a war veteran, said that results of the business men's camp are being closely studied by the army's general staff.

### William W. Nixon Grand Army Chief

SPRINGFIELD, Ill., Sept. 12—(AP)—William W. Nixon, Jewell, Kas., is the new national commander-in-chief of the Grand Army of the Republic.

The new chief, slim and straight despite his 94 years, was elected today at an annual encampment, attended by scarcely 100 Union veterans.

Nixon appointed Col. Russell Martin of Los Angeles, adjutant general, Rustan C. Reed, Seattle, was elected junior vice-commander in chief. The Rev. Joe C. Pearce, Denver, was named chaplain-in-chief.

Mrs. Grace Houlette Hahn, Miami, Fla., was elected president of the women's relief corps. The Ladies of the Grand Army of the Republic elected Mrs. Nellie K. Stamel of Indianapolis as president to succeed Mrs. Frances M. Haskell of Tacoma, Wash.

### Ho-Hum, Spokane Sets Attendance Mark of 218,000

SPOKANE, Wash., Sept. 12—(AP)—Owner Bill Ulrich of the Spokane Indians said tonight his team would break its third consecutive class B baseball attendance record into the national all-time books this year.

He said total paid admissions, unofficially, were 218,000 for the 1940 season, a 6 per cent gain over the mark of 206,000 set last year. Official figures will be announced from the city hall, as the Western International league team's home park, Ferris field, is city property.

Ulrich credited the increase to greater feminine interest and a doubling in attendance of children.

### Finals Are Set, Senior Tourney

PORTLAND, Sept. 12—(AP)—Ralph C. Parker, "baby" entry, and Carl D. Christensen, two-time champion, will meet tomorrow in the finals of the Oregon senior golf tournament at Waverly Country club.

Parker, a 50-year-old "youth" downed Oscar Furuset, defending champion, 2 and 1 today and Christensen, defeated Dr. C. H. Manlove, medalist, 1 up on the 20th hole. All are Portland players.

### Bowling Scores

The Industrial bowling league opened its season at the Perfection alleys Thursday night. Scores were in keeping with first-of-the-season expectations.

### Salable Walnuts Set 75 per Cent, Recommendation

SAN FRANCISCO, Sept. 12—(AP)—William Goodspeed, manager of the California-Oregon-Washington walnut control board, recommended today that 66,200,000 pounds, approximately 75 per cent of production for the coming year, be set as the merchantable percentage.

He estimated the walnut production would be 82,300,000 pounds and suggested that 25 per cent of this be shelled or sold for export.

Goodspeed testified at a one-day hearing of the surplus marketing administration, which will submit the data gathered to the department of agriculture, which will formally set the salable percentage.

William Powell, agriculture department attorney, who presided at the hearing, set September 17 as the last date for interested parties to file briefs, prior to forwarding the data to Washington.

### Dallas Grid Team Works for Opener

DALLAS—Dallas high's football squad is rounding into shape for their opening game the 27 of this month. The 27th will see the Dragons match power with the Pacific University Rooks. School starting early this year is giving Coach Hagen a chance to get his men in shape and with the opening game will have a chance to feel them out.

The team is being built around the three remaining lettermen: Klassen, Kroeker and Smith. Two transfers have entered the school which will strengthen the team considerably. They are Richardson of Albany and Robbins of Monmouth.

The team faces a slightly weaker schedule this season but due to lack of material it will be as tough as last years. The backfield averages around 160 and the line Coach Hagen's only statement is, "they will be giving their 'if I had a couple of back-

field men and five linemen, I would be sitting pretty." The schedule: Pacific freshmen, Sept. 27; Monmouth, Oct. 4; Astoria, Oct. 18; Sweet Home, Oct. 25; Newberg, Nov. 1; Independence, Nov. 11.

Boy Born at Keizer KEIZER — Mr. and Mrs. W. J. Kimble are announcing their first son, Robert Lynn, born September 10 at their home in Keizer. They have two daughters.
