Remember Friends Club Notes

Hi-ho Mice! Here it is another Saturday and time for another Mickey Mouse show. My, how time flies! Summer's over and fall is taking over. It won't be long before football will reign again, and boy, won't we have fun!

—MMC—

Speaking of fun, last week's stage show seemed to make quite a hit. Captain Kidd and his slaves was an entertainment deluxe. Orville Beardsley, as usual, came through with a swell number entitled "I'll Never Smile Again," and his brother Russ did a swell job on the piano. Bobby Hagedorn, the Mickey Rooney and what have you of Mickey Mouse, came through with a swell new patriotic song, "I Am an American." Also on the entertaining side was the contest which we had. Remember Mice, some of these contests which we hold on the stage would be good at various parties so why don't you remember them when you run out of things to do. I must say that I was proud the way everyone sang the community song, "Anchors Aweigh," and "God Bless America." It was really swell and shows the spirit you Mickey Mouse members have.

—MMC—

Say Mice, this week's show is really going to be swell. As you know yesterday ended the big Ar-buckle King essay contest on "Pirates." The winning essays have been selected and the prizes will be awarded on the stage today. We will also read the two winning essays on the stage as well as the runnersup. If you have written an essay be sure and attend MM, because you never can tell—you may be the lucky one. On the entertainment side, we are going to have Lectine Lebold, who will sing a new number, "Whisper in the Grass." Bob Mundt and Keith Hoppes, your favorite comedians, will also be here as well as Ramona Spence, Eileen Fisher, and Betty Lou Edwards. We will also have Mice, a special treat—Pat Meisinger and her new accordion. By the way Mice, some may be interested in knowing that Bobby Hagedorn will be the new official Mickey Mouse song leader. If anyone is capable of singing "over" the rest of you, it's Bob—but, that's what we want and that's what we've got. At any rate, today's show is packed full of fun and entertainment, so all of you be here and get in on it.

—MMC—

As the junior G-men would say, "Calling all Mice, calling all Mice, get your address checked immediately—that is all." All you have to do is see the MM secretary in the lobby of the theatre and tell her any change that has been made. Also, Mice, remember the membership drive that we are having. Bring in as many new MM members as you can. Let's really make this an outstanding club.

—MMC—

The screen fare for today, Mice, is "Mummy's Hand." Then too, we are going to have "Argentine Nights," with the Ritz Bros. and the Andrews sisters. So until 11, WES, Mickey Mouse Chief.
