## Wheat Market Remains Slow

Decline Caused by Lack of Export Trade and Small Domestic Demands

CHICAGO, Oct. 4 .- (AP)-Continuation of the Chicago wheat price setback which has been unler way since the three months highs were reached Tuesday carried values almost a cent lower

today.

Profit taking and selling inspired by easiness in securities, international political news and lagging domestic flour demand as well as restricted world export | Tomatoes, lug ..... trade contributed to the decline. There was no particular pressure to sell but the market suffered from lack of aggressive outside

## Vetch Is Issued To Polk Farmers

seed will be offered as a grant of aid to cooperators under the agricultural conservation program

According to information received from the office of the Polk county Agricultural Conservation association, hairy vetch seed may be obtained by cooperators. for seeding either an additional acreage over that produced last year or for those growing it for the first time. Only 150 bags have been allot-

ed Polk county for this purpose, consequently it will not be possible, states W. C. Leth, county agent, and secretary of the Polk county association, to allot a very large number of bags to any one person. The county committee has not as yet ruled in this regard, states Leth.

Those interested in securing the hairy vetch seed in this manner should contact the Polk county office at Dallas immediately for it is quite possible that the seed will be given out in the or-der in which requests are received
