also was considering removal of all marines from China. In this connection, Yomiuri

quoted Japanese military men in China as saying, "If the United States makes a wholesale retreat in the far east, it should be prepared to have its rights and interests there suspended or abandoned, at least temporarily, and it is supposed that recovery of those rights will be somewhat difficult in the future."

The same paper said American naval men had described the US fleet as not ready to fight and omic sanctions against Japan" were in prospect.

It said Americans were "accustomed to underestimating Japan's total strength."

#### There Are Two Ways to Get at Constipation

Yes, and only two ways-before and after it happens! Instead of enduring those dull, tired, headachy days and then having to take an emergency cathartic-why not KEEP regular with Kellogg's All-Bran? You can, if your constipation is the kind millions have -due to lack of "bulk" in the diet. For All-Bran goes right to supplying the "bulk" you need

Eat this toasted, nutritious cereal regularly-with milk or cream, or baked into muffinsdrink plenty of water, and see if your life isn't a whole lot brighter! Made by Kellogg's in Battle Creek. If your condition is chronic, it is wise to consult a physician.

# A New Kind of Can Enters The Low-Price Fields!

#### For The First Time-

- Gasoline in a Big Car!
- \* Roomier than Many 1940 Cars Costing up to \$200 More! \* Flashing Pickup of New "Flying
- Scot" Engine! \* Coil Springs on All Four Wheels!
- \* New "Unitized" Steel Body -Safer, Quieter! \* Improved Weather Eye Conditioned Air System
- Convertible Bed! Overall Savings up to \$100 a Year!

Good News I In the Face of Rising New Car Prices-Nash Announces 1941 Prices \$70 to \$159 LOWER!

TODAY-there's a new kind of car in the lowest-price field-the 1941 Nash!

lt's sonew...sodifferent that driving it is a thrilling experience. Little would you believe, as you look at the size of it—194 inches long—that it

delivers 25 to 30 miles to the gallon, with usual good driving. Powered by Nash's new-type "Flying Scot" Engine, it's the flortest, smoothest "six" you ever had your hands on!

You'll be delighted by the way it responds to the wheel but laughs at

bumps. With Two-way Ball-bearing Steering and soft coil springs on all four wheels—it des like a miracle in motion. Its amazing quiet, its unusual

"unitized" construction. Frame and body are welded together. The front seat's almost five feet wide. The rear has ample space for Nash's big Convertible Bed. "New 1941 prices begin in the lowest-price field—1889 for a hig Ambanandor "600" Businessa Coupe. All prices, delivered here, include standard equipment and federal tax. Weather Eye, Pourth Speed Forward. Convertible Bed. Special Paint and White Side Wall Tires are optional, at slight carra cost.

Even the air you breathe is different—thanks to the new conditioned-air wonders of the Weather Eye System.

This year Nash prices are lower. All Nash cars have new economy. See also the big, beautiful new Nash Ambassador Aeropowered Sixes and Eights-at your dealer's. First public showing today?
